

**Heckmondwike Grammar School Academy Trust  
Accessibility Plan 2017-2020**

**PHYSICAL ACCESS**

<b>AIM</b>	<b>STRATEGY</b>	<b>OUTCOME</b>
<p>To ensure that senior leaders are aware of any areas of the school where there are physical barriers to school premises. This includes both indoor and outdoor facilities</p> <p>To identify areas or aspects of the school where there are particular barriers for pupils with sensory impairment</p> <p>To identify areas which cannot reasonably be made physically accessible</p>	<p>Audit due: review physical access using self audit questionnaire.</p> <p>Use action plan arising out of this audit to address identified needs</p>	
<p>To review each year all areas of the school in order to ensure that there are no physical barriers to access for pupils with a disability</p>	<p>Ensure that any building work being undertaken takes into account the need for the site to be accessible and continues to improve site accessibility wherever this is possible and represents good value for money</p> <p>Incorporate the accessibility action plan into the SDP</p>	<p>Accessibility issues are taken into account when a significant site development takes place</p>
