GRAMMAR SIXTH FORM

RNO/SMF

13 June 2018

Dear Parent/Carer

Progression Information Evening Thursday 5 July 2018

As you will be aware, the Year 12 Progression Event will take place in school between Thursday 5 July and Monday 9 July. This will provide an invaluable opportunity for students to consider their options for post-18 progression and begin preparing their applications. Activities include:

- An introduction to university and higher apprenticeship programmes;
- Advice and guidance on personal statement writing;
- A student-life panel led by current students at a leading local university;
- Presentations on student finance and budgeting;
- A progression fair attended by representatives of universities and employers from around the UK;
- Subject-based talks providing insight into the study of certain subject areas at university;
- Registration on Ucas Apply and the recording of core personal details and GCSE results.

Please note that students register at the later time of 09.30 on Thursday 5 and Friday 6 July. They will need to register at the normal time of 08.45 on Monday 9 July and attend regular lessons from period 3.

To complement this programme, I would like to invite year 12 parents and students to a Progression Information Evening on Thursday 5 July. This will include a presentation on higher education and progression, with particular focus on the information, advice, guidance and support available to students in the sixth form. This event will take place in the Swann Hall from 18.00 and is expected to last for up to one hour.

To confirm your attendance at this event please use:
