

DT gets a Makeover

Design and Technology Extension

The Design and Technology Department has recently become even better with a fantastic new extension that has greatly increased the size of B010 and B011. The building work took place over the summer holiday after the school was awarded money from the Government's 'Condition Improvement Fund'. The new extension has replaced the Burnham outdoor quad and has provided the Food Preparation and Nutrition room and Design and Technology workshop with valuable classroom space and linked the rooms into the Drama corridor with new fire escape doors. The extension has

Room B011

been furnished temporarily with old furniture, with the intention of developing the rooms fully later this year.

Mr Longridge, the Leader of the Create Faculty, said: "The new extension has been an amazing addition to the Design and Technology Department and I'm excited by the possibilities of developing the rooms even further. The extension has given us far more space than I originally expected and the new doors have already helped to reduce congestion on the dining room corridor. I'd like to thank our previous Business Manager Mr Flynn and his team for all the work they did to secure the funding bid. Mr Flynn left the school earlier this year and I'd like to wish him all the best in his new job. I'd also like to thank Mrs Bennet, Mr Firth and the rest of our site team for everything they have done to get the building ready. Coordinating the work over the summer has been challenging for them and we are all very grateful for their hard work in getting the rooms ready for our students. 2020 has been a difficult year and it has been a real bonus to come back into school to such a fantastic new asset. I can't wait to see what our students think of them!"

Congratulations

We are delighted to share the news that Eshaal Hussain now a Year 10 Student, came 2nd In the Kirklees Online Chef of the Year 2020.

Excellent News!

Diary Dates

- Monday 28 & Tuesday 29 September - Year 7 Community Building Day + More information to follow +
- Wednesday 30 September - Year 12 Vitrual Information Evening
- Monday 12-Friday 16 October Year 11 Revision Week

Thank You!

Passing on thanks on behalf of the Dawe Family

My name is Val Dawe and my son is Ryan Dawe in Year 7.

I am contacting you with the hope that you can help us trace the very kind family of a Year 8 student in your school who showed great kindness to us on Tuesday morning.

We live in the Wakefield area and on Tuesday morning my husband's car broke down on the way to taking Ryan to school. We would like to thank this very kind family that stopped to help and kindly offered to take Ryan with them to school. Unfortunately we didn't get their names or details but we wanted to reach them so we can tell them that we really appreciated their kindness and good will.

Great to know that kindness is amongst our school community!

Kind regards, Val & Greg Dawe
