This year saw the return of House Music after last year's inaugural (and hopefully final) Virtual Music Competition online. The two days were full of fantastic live performances – both with those that were of an incredibly high quality and with those students giving their all for their first live performance. Usually it is a close fought contest, often with two neck and neck up to the final class. This year Houldsworth stormed it by quite a margin! Not just with lots of entries, but as you can see with a number of placings.

Our thanks go to our guest adjudicators. With them unable to do their swan song last year we were lucky enough to have some of our year 13 music students to judge. Thank you to David Brown, Rose Hickman, Kirsty Gregory, Saskia Kirk and Reuben Fitzsimmons. They were assisted by Eleanor Lilley in year 11 who has been doing some work experience with our year 7s each Monday. Not only sorting the certificates and things, but also accompanying some of our students on the piano.

Get practising ready for next year – especially Priestley, Bronte & Clarke. We hope to revive the large class and house entries again too!

An amazing 2 days of LIVE music – how we've missed it!
