**Expression of Interest Ski Trip 2023 USA –**  
Killington/New York, Saturday 11 – Sunday 19 February 2023

Dear parent/carer

I am delighted to announce, in conjunction with SkiBound Holidays, that I am looking into the possibility of booking a return visit to Killington ski resort/New York on the east coast of America during February half-term 2023.

At this stage, I am asking for an **expression of interest only** to assess if the trip will be viable with sufficient student numbers to enable to the trip to run.

When this trip was advertised your son/daughter was sufficiently excited about it to come and get an information letter from me. I hope that after reading this letter you are equally as enthused and are prepared to support their application on this truly fantastic opportunity. Having looked at numerous resorts, Killington offers a unique experience, which is considerably better value for money than all other resorts on the east coast. You can find out more about the conditions and the resort by visiting the Killington ski resort at [www.killington.com](http://www.killington.com).

Killington is the largest resort in the eastern United States and stretches across six different mountains. The resort has 140 runs catering for all standards and being situated at a height of approximately 4,500 feet, it boasts an excellent snow record of 250 inches annually. The accommodation provisionally booked is The Holiday Inn in Killington, which is a short drive to the slopes. In New York, our accommodation is the Fairfield Inn Central Park, walking distance from Times Square and other tourist attractions. As with most hotels in the USA, rooms contain two queen size beds with four people per room. Each room has ensuite facilities and satellite television.

The trip is aimed at current students in years 10, 11 & 12 and skiing experience is not a prerequisite as the resort caters well for all levels of ability from beginner to advanced. If your son/daughter is currently in year 11 or 12, then they must continue their studies at Heckmondwike Grammar School to be eligible for a place on the trip due to insurance requirements.

### How much will it cost?

Initial estimates suggest that the cost per student of the trip will be in the region of **£1775**. Unfortunately, due to the Covid-19 pandemic, costs have increased in the travel sector, and this is reflected in the price. We have given very careful consideration to comprehensive travel insurance and have found a suitable policy which includes Covid cover. The policy provided by SkiBound and underwritten by Endsleigh Insurance is, we believe, the best policy available and the cost of this is included in the overall price of the trip. A copy of the policy will be available in due course.

Please understand that Government restrictions in force in February 2023 may affect our ability to travel. Currently, travel to the USA is permitted and we have confidence that the visit will go ahead as planned. However, we will, of course, be subject to any restrictions put in place by the British and American authorities at the time of the trip and our plans may be subject to change. We will keep you posted.

### What do I do now?

If you would like your son/daughter to participate in this Ski trip please complete the **expression of interest reply slip** attached to this letter and return to **Mr Keenleyside by Friday 26 November**. If there are sufficient student numbers to make the trip viable I will proceed with the booking. Those students offered a place will be required to pay an **initial non-refundable deposit of £150 by Friday 10 December**. If in the meantime, if you have any questions regarding the trip please don't hesitate to contact me by phone or email at [skeenleyside@heckgrammar.co.uk](mailto:skeenleyside@heckgrammar.co.uk)

Yours faithfully
