MAKING KNOWLEDGE WORK

Medicine virtual work experience

[February explores Intensive Care.](#)

Intensive Care units (ICU) look after the most critically unwell patients in the hospital and so it is usually incredibly challenging to see what happens inside. Join us and see behind-the-scenes of intensive care with our high fidelity simulations, and learn the unique workings of the MDT in ICU.

Veterinary virtual work experience

Medic Mentor's February session [explores lambing and sheep husbandry](#).

Lambing is most students' favourite placement and we are really excited to be streaming it to students. Although a lot of joy comes with lambing, it is also a key placement where resilience is required to deal with the loss of lambs.

Dentistry virtual work experience

Medic Mentor's February session explores introduction to the team at Dental Mentor Smiles where they will get to see a range of both [child and adult patient consultations](#). This includes a possible oral cancer diagnosis, aesthetic solutions and child safeguarding concerns. There will be debriefing sessions of each of the cases and opportunities to ask questions directly to the dental team!

Geoscience Spring School University of Huddersfield 12 - 14th April 2022

Click here!

Are you in an under-represented group* studying a science subject, geography or geology in Y12 or Y13? Want to learn more about geoscience and get paid too? **Apply for our spring school!**

You will learn

- What a degree in geography or geoscience involves and how to navigate your UCAS application and write a personal statement
- The unique skills you'll gain to tackle issues you're passionate about, like climate change or plastic pollution
- The types of careers that a degree in geography or geoscience opens up for you
- How field trips are fun opportunities to experience the outdoors

Expenses paid

Transport, food and childcare / carer expenses will be paid, and you will be reimbursed for your time. The school is non-residential so you must be able to travel to Huddersfield each day.

*Under-represented groups include those from Black, Asian and minoritised ethnicity backgrounds; LGBTQIA+; people with disabilities; first in family to go to university; those from low-income households; in care or a care leaver; young people (<18 years) with a caring responsibility.

EXPLORING GEOSCIENCE WORKSHOP

Join us for a time traveling workshop where you'll learn all about the amazing stories of the Earth and how it works! If you're from an under-represented group* and studying a science subject, geography, or geology in Y12 or Y13, come along to learn about careers in geoscience and geography and help us with our research. You'll be paid and can bring your family along!

Click here!

- Discover how the geosciences could be a great study option for you
- Hear from real people working as geoscientists and geographers
- Share your views on how geosciences can change to attract more diverse people

Workshop participants will be reimbursed for their time. If you bring one parent, carer or guardian, they will also be reimbursed for their time. Feel free to bring the rest of the family to enjoy the museum or venue!

*Under-represented groups include those from Black, Asian and minoritised ethnicity backgrounds; LGBTQIA+; people with disabilities; first in family to go to university; those from low-income households; in care or a care leaver; young people (<18 years) with a caring responsibility.

Be mindful of our neighbours

When arriving and exiting school or moving between the main site and the JCC, please be respectful of our neighbours.

This means ensuring you and those around you are aware of the dangers from the road and traffic, allowing others to pass you, particularly if they have young children or pushchairs.

Private Study procedures

- **Periods 1 to 4** - these are completed in the ILA. If it's busy and you do wish to study elsewhere, the only option is the library. If you head to the library, you must sign in in ILA first and indicate where you have gone.
- **Period 5** private studies are slightly different - they are in JCC with Donna.

In all private studies, a second register will be taken towards the end of the session - please keep an eye / ear out for this as if you do not sign the 2nd register.
