Dear Parent/Carer

Eid al-Adha

We understand that this year's festival will be taking place this weekend and as such, on behalf of the school community, we would like to send our best wishes to those families who are celebrating.

As you are aware, one of the great strengths of our school is that it serves a multi-cultural society, which means we can all learn from each other about our cultures and faiths. Indeed, we recently held a 'Culture Day' in school, where we encouraged students to wear cultural dress, play music and try different foods. It was a great success and will very much be on our annual calendar from now on.

We will all look forward to hearing about this weekend's events when we are all back in school on Monday.

Yours faithfully

Peter Roberts
