Reflection from the Head teacher

As we approach the end of another busy year, I'm led to reflect on the challenges facing young people today: from higher expectations academically (that have led to longer and harder exams), through to the fraught issues surrounding the use of social media, alongside the usual complications that surround becoming a teenager. As my eldest daughter starts secondary school in September, I find myself starting to sympathise with our parents ever more...!

It is also worth sparing a thought for the teachers and other staff who willingly support young people as they navigate these changes. Time-consuming, often meaning they have to go above and beyond because that's what the individual student needs, we have found that students need more help than ever: and our staff contribute to the strong relationships that already exist by caring. This theme of caring is a topic that we will be focusing on more in the new academic year, and is at the centre of our booklet- 'The Hecky Way'- that can be found on our website (see <https://www.heckgrammar.co.uk/school/about/welcome/>). And it isn't just about caring for our students: it's about caring for ourselves as staff and each other- as our students would be unable to thrive were it not for the support, whether learning-centred or pastoral-focused, that our staff offer so gladly. Just as I wish all of you, the young people and parents who make up our school community, my best wishes for the holidays, I wish the same for all those who work here - and my thanks for their efforts this year.

Mr N Bulley

Finalist Triumph for Student in Triumph Design Awards

Design and Technology sixth form student **Sam Rhodes** became a finalist in the prestigious Triumph Design Awards after submitting his Product Design A level project for consideration by the panel.

Sam Rhodes pictured above with his design "FlickFend" - Full story on page 8

Lessons From Auschwitz

When most people hear the word 'holocaust', their immediate thought is of Auschwitz. Maybe, as I did, they imagine a large field, in the middle of the Polish countryside, with dilapidated wooden huts and the scattered remains of brick chimneys. The victims are generally considered to be German, Austrian and Polish Jews. So, it might surprise some people to know that the Auschwitz camp itself is a mere 10 minute drive from the centre of the town Oświęcim, of which Auschwitz is the Germanisation. People may be shocked to hear that even the idea of Auschwitz being a death camp is fundamentally wrong. Auschwitz was, in fact, a system of concentration and labour camps within which, the Birkenau camp was actually the death camp, despite many people not knowing of its existence. Additionally, 5 other death camps existed in Poland, though none are as notorious as the infamous Auschwitz. Surely, as British people, it's difficult to imagine that not only were some British Jews persecuted and deported to death camps but that there were actually four concentration camps built during the holocaust on the Channel Island of Alderney, only 60 miles away from Britain's south-eastern coast.

In May, **Maya Green, Eleanor Matley-Waite,**

Jodie Walker, Mrs. Currie and I took part in the 'Lessons From Auschwitz Project' which is annually run across the UK by 'The Holocaust Educational Trust'. The combined aim of the 'Lessons From Auschwitz Project' and 'The Holocaust Educational Trust' is to widen the public's knowledge regarding the events of the Holocaust and its victims. As part of our programme, we attended two seminars and visited both the Auschwitz and Auschwitz-Birkenau camps. At the first seminar we were introduced to the Holocaust and heard a testament from a Holocaust survivor and at the second we took part in various activities to help us process what we had experienced during the visit.

The main focus of the project was to humanise the horrific events of the Holocaust. This meant acknowledging that the general figure of 'six million Jews' that tends to be put on the number of murders of Jewish people committed during the Holocaust, signified six million stories of individual tragedy, with each victim being a person with a name, a family and their own personal story. Through photos and personal testaments that were shared with us throughout the entirety of the project, but particularly in the museum at Auschwitz, we were able to hear their stories and connect with at least a small number of the victims of the Holocaust.

Lessons From Auschwitz cont.

Additionally, we heard an in-person testament from Eva Clarke, who was actually born in Terezín, a concentration camp in the Czech Republic. She shared with us the story of her mother, who survived the camps and also the story of her mother's family, many members of which did not. Assisted by photos, she told us her heartbreaking story of a family violently torn apart by anti-Semitic hatred. it?

Harder to accept was the fact that the perpetrators of the Holocaust weren't the evil monsters that history often paints them as. It is important that we remember that the Nazi leaders such as Hitler, Himmler and others who sat on the Wannsee Conference to decide how to implement the Final Solution, the regular SS men who served in the camps, the leaders of countries that co-operated with the Nazis and even the train drivers who facilitated the transportation of Jewish people from all across Europe to the concentration camps, were also people. They were ordinary people who made atrocious decisions that cumulatively lead to the Holocaust.

It's important that we remember that we have choices and they are ours alone to make. Not one country that was allied with Germany was forced

to persecute, deport or execute their Jewish population. Yet with the exception of only Denmark and Bulgaria, the leaders of every country were willing to co-operate with the German government to some extent. Evidently, the Nazis didn't create anti-Semitism. It had already existed in the majority of European countries and generally manifested itself through discriminatory laws or a general hostility that in many cases forced Jewish communities to become outcast and secluded, even in Britain. We should also consider that before the implementation of the Final Solution, many Jewish people did try to escape Germany. Many simply did not travel far enough, settling in areas such as Czechoslovakia that would soon also suffer under Nazi occupation. But others sought help from countries such as the UK and the US and were denied aid or refuge on the ground of strict immigration policies and visa quotas. Our leaders chose to do nothing until 1944, by which point, it was too late.

And yet, despite the horrific mass execution of the Jews and various other groups of people under the Nazi regime during World War II, we are still a world divided by hate and governed by institutions which choose to do nothing in the face of suffering. Since the Holocaust, further genocides in Cambodia, Bosnia-Herzegovina and The Democratic Republic of Congo, to name just a few, have taken place whilst the United Nations failed to take effective action. The genocide taking place in Syria still continues even to this day. Yet even as the civilian death toll rises, thousands of refugees are denied aid, raising the question: Do we learn from history, or does it teach us that we are merely doomed to repeat it?

Heckler News - Trip

Iceland April 2018

Our trip began with a three hour delay at Manchester airport, much to our irritation, yet Iceland's gales greeted us as we arrived, and this gave us a good impression of the weather we were to face throughout the trip.

Our first real taste of Iceland came at the Shark Museum, where many got the privilege of sampling the fermented Greenland shark meat which I doubt many will have again!

A quick stop at a local visitor's centre followed before we continued on to the beach at Djúpalónssandur, a fairly intriguing place due to its unnatural appearance. A visit to the heated pool once we'd finished our coastal hike and returned to the hotel was a lovely (and extremely relaxing) way to end the day.

Day 2 was one of my favourites, with a trip to the magnificent Gullfoss and a chance to see the famous Geysir (below). It was much taller than we were expecting and also a lot more frequent, every 6 minutes! The day also included a stop at the Fontana Geothermal Spa where, if we were feeling brave, we could have a dip in the absolutely freezing lake, which gave many a bit of a shock.

Onto Reykjavik on Day 3, where we were given the opportunity to wander around the beautiful city once we had seen the cathedral. It was then a 2 hour drive to Seljalandsfoss, a waterfall that we could walk right up to. A short walk took us to Skógafoss, another lovely waterfall where you could take the stairs all the way to the top to enjoy the view.

Day 4 began with a trip to the ice lagoon; seals danced in the water amongst the large fragments of ice making for a lovely experience. Nearby, there was another black beach, with perfectly formed ice sculptures dotted around, some small some large, which was a beautiful place to visit as it was a place like no other'. The coach then dropped us off at Skaftafell National Park, where a picturesque, 1.8km hike took us to Svartifoss waterfall (right), surrounded by fabu-

lous black basalt columns. This was followed by a rocky walk alongside the Svínafellsjökull glacier, which was the first sight we had had of one up close. That evening, amazingly, the glorious Northern Lights made an appearance towards the end of the trip but unfortunately some missed it as it was rather late at night !Reynisfjara beach was our first stop on day 5, another black beach, but the hexagonal columns were the perfect setting for a group photo, and Mr Currie made us all climb onto the rocks for this. We then had the chance to go glacier walking on Sólheimajökull, a wondrous glacier that makes everything around it seem so insignificant. Then on the way to our final hotel of the trip, the lovely Lighthouse Inn, we made a quick stop at a viewing point where we had a breathtaking view of the waves as they crashed onto the stunning black rock.

Sadly, it was then time to go home and say goodbye to Iceland; it was over so quickly and I know that many people would love to go back as it was a truly brilliant trip.

Thanks to Mr Currie, Mr Naylor and Mrs Roberts for taking us; Petur, our friendly, enthusiastic tour guide; and Gudbrandur, who drove us around in his 4x4 coach for the whole trip. We had an absolutely fabulous time and I'm sure we won't forget it.

Madeleine Convery, 10JLD, and Lucy Jolly, 10ESC

Heckler News - Trip

Normandy June 2018

On June 28th, 60 lucky Year 8 students embarked on a 15-hour journey across borders, to get to France. During the trip, there was much laughter, many coach rides, and baguettes. So many baguettes. And each of us took home not only overpriced French memorabilia, but hilarious memories we made on the unforgettable journey.

When we arrived at school at 10pm, everyone was so excited, waiting for the coach to arrive, which would signify the beginning of our experience. When the bus arrived, we all were eager to get on, promising to stay awake for the entire journey. For about an hour, it seemed as if we could manage it, but we quickly fell asleep. The rest of the journey was fairly unremarkable, although many people were disappointed that the Eurotunnel was not transparent, but we eventually arrived at our first museum in high spirits, the majority of us well-rested.

Each of the museums we visited was very informative, and many people were shocked to find that a lot of the information was actually in French. One of my favourite museums was the one with the Bayeux Tapestry on display. It was much larger than anyone expected- it had a viewing room that people had to walk through to see it all, and had about 50 scenes.

We all enjoyed going around the French villages, and many students were again surprised by the number of people who 'really spoke French'. A lot of us (with much difficulty) bought French souvenirs (which were very similar to English ones really) and had a lot of fun riding carousels.

Our accommodation was...something. Many people went insane without Wi-Fi, but those who didn't had lots of fun on the beaches, playing volleyball and other things. Many people would probably say that the beach was their favourite part of the trip, and it's not hard to see why. There was a volleyball net, and we played rounders (although it was very hard to run around in the sand).

The journey back home was something of a nightmare. Because of complications with the Eurotunnel, we were trapped in France for 2 hours (although we did go to Starbucks, which made it somewhat better). Because of this, a rumour got around that we would be stranded in Birmingham. Luckily, that didn't happen and we got home safely.

We all enjoyed Normandy immensely!

Maisie Royston, 8SJL

Heckler News - Trip

London Trip 2018

After a lot of excitement and anticipation, on the 27th of June 70 Year 10 students set off on a trip to London. After a 5 hour coach journey, we arrived at the Bank of England in the 27°C heat of central London. Our trip got off to a good start, with famous boxer Amir Khan walking past us outside the bank! For the next two hours, we learnt about the history of English money and how the banking system has changed and been updated since the bank opened in 1694. We then had a short walk through London and across Millennium Bridge to get to the Tate Modern gallery, where we learnt about how a self-funded business runs successfully, also learning about different artists and looking at their artwork. Leicester

Square provided us with free time to shop and watch street performers, before a meal at Planet Hollywood. Our evening was spent watching the sun beginning to set over London from the London Eye, giving us a perfect opportunity for photos. A short coach journey took us to our hotel for the night, The Royal National. Even the fire alarm going off at 11:30 couldn't put a dampener on what had been an excellent first day.

The second day of our trip got off to an early start, leaving the hotel by 9am, getting us on our way to Stamford Bridge, the home of Chelsea F.C. We were given a tour of the stadium, getting a chance to look round the changing rooms and press room, before walking through the tunnel to the side of the pitch. We learnt about how a football club is run, incorporating the club's sales and revenue, the variety of products they actually sell and their costs throughout the year. After this, we made a short stop at the local shopping centre in Fulham for our lunch, before driving to Madame Tussauds. Here we learnt about how advertising in London can benefit a business and help increase ticket sales and demand, as well as getting photos with the figures. We were all entertained on the journey home with the England v Belgium World Cup match, but unfortunately the team couldn't provide the perfect end to what had been a very memorable trip.

Holly Beaumont 10 RLN

STEM (Science, Technology, Engineering and Mathematics) Roadshow

Year 8 Students had the privilege of witnessing a spectacular STEM (Science, Technology, Engineering and Mathematics) roadshow on Tuesday 16th January that was hosted by BAE Systems in association with the Royal Air Force and the Royal Navy.

The roadshow is a live, interactive and highly entertaining presentation that has been designed to give students an insight into the fascinating world of the STEM subjects. The presentation team consisting of Matt, Michaela and Jade gave an insight into a number of recent technological advances with a student volunteers taking part in a range of crazy experiments! The roadshow highlighted the importance of Design Technology and Engineering in all aspects of present day life, helping students to see the connection between what they study in school and the real world applications of the technology.

The performance started by exploring the world of programmable systems and control with students meeting an amazing, talking, dancing and 'thinking' android robot called Mya that uses a series of sensors and artificial intelligence to perform a wide range of tasks! In addition to answering complex mathematical questions Mya was also able to stand up independently after being pushed over.

The roadshow then explored the importance of Physics in design with a small group of

students invited to take part in what appeared to be a risky stunt involving a heavy metal ball. A number of students were selected and asked to stand holding buckets on their heads before the audience predicted how far the ball would travel. Fortunately, after the experiment the roadshow team explained the Maths behind the equation and highlighted that there was never any possibility of the ball reaching the student volunteers.

Muhammad Daji in 8KMB then demonstrated his amazing mathematical talent by calculating and balancing the masses of model aircraft on a scale model of the HMS Queen Elizabeth aircraft carrier in record time. Students were also interested to learn the ship weighs 70,600 tonnes and uses a series of water filled chambers to balance the ship as vehicles land and take off. Finally, the roadshow demonstrated the force needed to move the aircraft carrier by using a para motor to blow plastic cups off a group of willing volunteers. After the experiment students were amazed to find out that the powerful para motor generated 79 newtons of force (nf) while the ship generated an amazing 118,800,000 newtons force (nf)!

Overall, the roadshow provided an excellent experience of the STEM subjects that clearly highlighted how important they are in an exciting and fascinating way. The Science, Technology, Engineering and Mathematics (accounting and finance) industries still rank as the largest growth sectors in the UK and the BAE Systems presentation highlighted just a few of the many opportunities available. A big thank you to the roadshow team!

Mr Longridge

News Round Up

Quality in Careers Standard

We are delighted to announce that our careers department has been awarded the Quality in Careers Standard, the national quality award for CEIAG.

Full article: <https://www.heckgrammar.co.uk/news/quality-careers-standard>

Kirklees Young Chef Competition

Two of our year 10 Food GCSE students **Lyndsey Hepworth** and **Lenah Ahmed** entered the Kirklees Young Chef Competition. Both girls made it to the final having to re-make their signature dessert dish after attending a master class. They also had to complete a technical challenge of making choux pastry and producing profiteroles.

Lenah won the completion overall and was crowned Young Kirklees Chef 2018. Lyndsey was the winner of the technical challenge and came 2nd overall.

This was a great achievement for both girls and our school.

Finalist Triumph for Student in Triumph Design Award

Design and Technology sixth form student **Sam Rhodes** became a finalist in the prestigious Triumph Design Awards after submitting his Product Design A level project for consideration by the panel. The awards encourage and celebrate creative thinking, innovative problem solving and the ability to produce feasible solutions to real world challenges. Sam designed and produced FlickFend which is a training aid for underwater hockey aptly named Octo-push. Sam competes in a national team and spotted a real life problem he could find a solution to.

At the finals last weekend after presenting his ideas to chief engineers at Triumph, Sam won prizes for innovation and communication. Sam also saw behind the scenes in a factory tour and was presented with a model of a Triumph Streetwin. Congratulations to Sam all his hard work paid off and he has a usable and marketable product in Flickfend.

FlickFend

Purpose

Competitive training aid to challenge all player abilities. Designed by Players, For Players. Dislodging tiered levels which indicate the level and height they can flick.

Portability

Splits apart for compact storage in a gym bag. Colour coded sections separate to fit in a 300mmx400mm bag ideal for a player.

Sustainability

Every individual part is separable and replaceable to reduce waste. No adhesives used. Minimises products environmental impact whilst maximising its lifespan.

Cost

Cost-effective solution for clubs; upgradability and replaceability provides a feasible long-term solution. Parts are individually available allowing cheaper repairs to combat regular wear and tear.

Adaptability

Constantly Evolving product with upgradable features. New evolutions of the 3D printed hubs become available, the user will be able to purchase new upgraded parts to enhance the FlickFend's usability.

Repairability

Every part is separable and replaceable. Simple intuitive design allows club to repair themselves easily without instruction.

Design

Sleek, intuitive, compact design. Ideal for UWH Players to assemble and interact with whilst Underwater.

Usability

Contrasting colour scheme to enhance visibility underwater. Designed to the gloved player to use. Simple, easy to use design. Ideal for quick deployment.

News Round Up

Airineers Drone Racing Competition

Competition Winners - The Black Team (pictured holding the winning S3 Class and Micro Class drones)

Tom Barber, Leo Beevers, Jack Martin, Ruben Price and Joshua Scaife.

Four teams of Heckmondwike Grammar School students made history on Thursday 28th June when they represented the school in our first ever drone racing competition. The Airineers STEM Drone challenge was held at the The Alderley Edge School for Girls in Cheshire and provided students with the opportunity build and race drones against other schools from across the region. Competing in both the Micro Class and S3 Class events, our students were required to control their drones using the first person view headsets in a number of different challenges that tested the engineering of their drones and their piloting skills.

After being launched by Mr Longridge in January

2018, each team 3D printed and assembled their Micro class drone before learning how to fly them as part of the Design and Technology drone club. Despite facing a number of challenges and technical hurdles during the construction of their drones, the race day was a huge success with our Black team winning both the 'head to head' racing and 'capture the flag' events and our Red team came second in the 'head to head' racing.

Well Done! Mr Longridge

Second Place in 'Head to Head' racing event – The Red Team

Yusha Jeena, , Muhammed Patel, Zubair Patel and Sumeed Saleem

"From the initial briefing to the final flight, the journey was nothing if not exciting. Assembling our first drone required several lunchtimes of intricate soldering and careful study of instructions. There were technical errors, breakages, weird incidents, and totally inexplicable malfunctions. Even getting a drone to the competition was a struggle. But we did. Just. I wouldn't have had it any other way. It was a welcome challenge, in fact. We developed as a team; the whole club fell under a genuine sense of community. There was definitely a wide range of skills involved. Management, presentation, teamwork, and organisation were all essential for the running of the project. Building the drone itself required design, construction, coding, and, of course, flying. I was part of something unique, something I'd never even thought of before, and for that I am incredibly grateful. There was even the opportunity to present the project at the Open Evening (another first for me) for the DT department. Not only did this allow us to share our experience with potential future students, it was valuable team time for us. And, obviously, it was fun. A couple of days later, we represented our school at a regional competition (a first again). For those who knew and loved drones, there was the chance to bring our interests to a proper event. For those who didn't, it was an eye-opening step into the field. Some had even long wanted to become involved with drone racing but had never had the chance. For all of us, the Airineers STEM Drone Challenge was a fantastic experience, and I couldn't be more excited to see how the club develops in the future. "

Leo Beevers 9MTY

News Round Up

Julius Caesar Partnership Production

On Monday 9th July, we performed Shakespeare's Julius Caesar alongside seven local primary and secondary schools at Spen Valley High School.

Supported by the Royal Shakespeare Company, one teacher from each school took lead responsibility in rehearsing a section of Shakespeare's epic political tragedy. Eighteen of our students, from Year 7 to 10, successfully auditioned, rehearsed and performed with schools from the Spen Co-operative Trust.

There were fantastic performances from the principal actors; **Ed Brown** as Caesar, **Luke Nixon** as Brutus and **Maisy Nichols** as Mark Anthony. The supporting cast were equally excellent in telling the tale of Caesar's murder.

Overall, it has been a wonderful experience and a huge well done to all the cast!

Student Comment

Mrs Barton

"On Monday 9th July, a group of students visited Spen Valley High School for rehearsals and a performance of Julius Caesar. After almost a year of rehearsals and an audition process, we performed our section of the play alongside other young people from Fairfield School, Littleton Junior School, Hightown Junior School, Roberttown Junior and Infant School, Heckmondwike Primary and Spen Valley High School.

It was a great experience for us to integrate with others who share similar interests and give a good impression of our school."

Cast Members

From left to right; Leigha Blanchard, Brandon Radford, Luke Nixon, Ed Brown, Amelia Kellett, Kirsty Gregory, Aleeza Chaudhry, Raahima Nayaab, Zoe Tout, Mollie O'Connor, Maisy Nichols, Jack Branford, Keira Green, Nancy Roberts, Cerys Harrison, Grace Branford, Lola Freakley, Hannah Grason.

News Round Up

Nameless Theatre

Nameless Theatre is Heckmondwike Grammar School's very own theatre company. Established in 2013, we devise, write and perform our own original pieces of theatre to external audiences.

This year, we have worked in partnership with Theatre Company Blah Blah Blah to gain some funding from the Co-op. This has enabled us to work with industry professionals to create a play called 'What is of Value?' The piece was written for a Year 4 – 6 target audience and encourages children to consider the unimportance of material things; instead they learn the significance of values such as trust, honesty and love.

On Tuesday 26th June, we took Nameless on tour! The company performed and led workshops at Littletown Junior, Infant and Nursery School in the morning, followed by two performances at Heckmondwike Primary School in the afternoon.

The children thoroughly enjoyed the experience, with Dr Harris, Headteacher at Heckmondwike Primary School, commenting *'Thanks for bringing your students up yesterday. I've had excellent feedback from staff and pupils.'*

Our students were magnificent as always!

Next year, we will be rehearsing and performing a play that Nameless wrote a few years ago called 'Taboo', which is aimed at raising awareness about mental health issues in young people.

Mrs Barton

'What is of Value?' Performance.

As part of the Nameless Theatre Company we devised and performed a Theatre in Education production about materialism aimed at primary school children. At the beginning we created a few improvisations to, 'get the ball rolling'; we focused heavily on ideas of greed and theft. Building on this, professional theatre makers visited us from our partnership with the company Blah, Blah, Blah, presenting us with new ways of approaching rehearsals to translate ideas to the stage through design and movement.

We began to build on our content and working as a team to create some highly effective ensemble pieces as well as thinking of clever ways to raise questions about materialism that would have a lasting impact on the children we were performing to. Mrs Barton took all of our ideas and aims that we decided as a group and turned it into our script which we blocked, staged and polished until the performance ran fluently and clearly. Due to us doing an educational theatre production we also incorporated some participatory theatre into our script. This involved the students with the action on stage, so they were more engaged helping the messages and ideas we raised throughout our performance to have a more permanent impact.

Before we knew it, performance day arrived – the 26 of June; we did three performances to differing age groups ranging from eight to eleven. Firstly, we visited Littletown where we performed to their year four class. They were very engaged with the performance and put a lot of effort into the participatory aspects. Afterwards, we went to Heckmondwike primary where we performed twice, back to back, to two separate year six forms. They enjoyed the performance and it was obvious that the performance made them reflect on their own morals, as very thoughtful and perceptive opinions were raised when they began to get involved with the participatory theatre. Overall, the performances went immensely well and I feel we did improve the children's ideas on what is right and wrong when it comes to greed, theft and materialism.

I found the rehearsal and performance process thoroughly enjoyable and I am happy to have left a positive impact on the children in our local area. It was great to work closely with our friends to explore the issues we care about on stage.

House News

Bronte

Easter – Summer Summary

As the Lees cup starts to reach its climax the events are coming thick and fast with lots of points to play for. Next up for the boys was the cricket with the Inters the first competition. Fielding a high calibre team we elected to bat first against Houldsworth and with strong batting from **Nicky Sheard, Harry Hobson and Ans Muhammad** we posted an outstanding total of 99 runs for Houldsworth to chase. Unable to deal with our precision bowling from **Oscar Smith** and **Harry Hobson** we managed to bowl Houldsworth all out for 52 to go through to the final.

In the final we faced a strong Clarke side that elected to bat first and after some tight bowling from **Jack Selby, Nicky Sheard and Aryan John Clarke** posted a challenging 41 runs. After a positive start from our batters our runs seemed to dry up and with 1 over remaining we needed 6 runs and with our last batters. But with two balls remaining Clarke managed to pull off a wonder catch to take the victory.

Next up was the junior competition and with over thirty students volunteering Mr Keenleyside had the difficult task of selecting only fifteen. Facing a strong Houldsworth side we batted first and with strong batting from **Alex Hughes, Gilbert Clough and Aryan Bhupathiraji** we posted a respectable 77 runs. Houldsworth with their strong batting team came out all guns blazing and reached our total with an over to spare. Massive well to all students who took part and volunteered and with our total in juniors we had finished 3rd.

After the completion of the cricket we had finished a fantastic joint 2nd which means another 3 points to our Lees cup totals.

Bronte House Drama

This year Bronte took on the task of staging 'Legally Blonde – The Musical'. The story of Elle Woods who charms her way into Harvard Law School in an attempt to get back her boyfriend. The story challenges stereotypes and Elle soon realises that she has the potential to make it in the Law profession.

This was a challenging task for **Emilie Crowther** and **Caitlin McNulty-Senior** the Directors but they threw themselves into it, auditioned for performers and soon had a very strong cast.

They rehearsed tirelessly for weeks on stage and with people helping out backstage too in order to make the show a success. The cast saw pupils from all year groups working together to put on a really strong performance. Bronte finished third overall but nothing should be taken away from everyone involved

Rugby

With the sun being out, meant House Rugby was back on! Bronte had a great uptake for the Rugby events for Years 7, 8 and 9.

Well done to everyone who turned out to play!

Year 7

For many students, the competition was the first time they played a competitive rugby match yet the team sheet was filled with a large number of footballers which can only be commended – shows the

House News

Bronte cont

commitment of Bronte boys is unquestionable! Year 7 Bronte boys faced Houldsworth juniors for the first game. The touch-rugby format meant the game was very tight with a good standard of tackling and defence, with the score line finishing 1-1 with a very impressive try by **Alfie Bean** (who unfortunately got injured from getting the try). The game went to sudden death, which unfortunately ended in favour of Clarke.

With Clarke beating Priestley in their first game, the match was set between the Houldsworth vs Priestly to secure 3rd place overall for the football competition. In the first half Bronte were very much on top and were frustrated, attacking well and defending as a team but as time went on Priestley got into the game who ended up winning a closely fought battle.

The players played with great team spirit and played some very good moves in the games played.

Some excellent performances from **Will Parker** and **Sam Sepehri**

The team were...

Will Parker (future captain), Sam Sepehri (very good), Chris Drake, Oliver Hainsworth, Oscar Kellett, Rohan Patel, Hamza Aziz, Raunaq Mohammad and Alfie Bean.

Year 7 Rugby placing: 4th.

Year 8

Bronte's Year 8's started tentatively in what was an edgy back and forth game against Priestly, but the team grew in confidence with excellent team play and strong individual performances from **Richard Nwabude, Temwisha Zulu and Tyler Grogan** but the result went in Priestley's favour.

The Bronte boys played very well in the second game, coming out victorious with great team spirit and some good defensive performances displayed as well as having some good chances created resulting in a win for the Blues! A great team performance overall!

Year 8 Rugby placing: 3rd.

The team were... , **Finley Berry (C), Richard Nwabude, Zayd Patel, Cian Casey, Tyler Grogan, Temwisha Zulu, Abdullah Aziz, Abbas Iqbal, Rafi Midgley**

Year 9

Again, just like the Year 7s and 8s, the Year 9s had a full team sheet!

Bronte Year 9s faced Priestley for the first match. The team play and passing was magnificent allowing some excellent tries from **Raheem Miller, Jamil Munir and Jamie Royall** meant the Blues progressed to the final to face Clarke.

A final against Clarke showed excellent leadership by the house captain (**Raheem Miller**) with some excellent team moves and the physical strength of Bronte Year 9s proved too much, and so another win for Bronte boys. A special shout out to **Jamil Munir's** speed and **Jamie Royall's** tackling and strength – a true warrior on the pitch!

Year Rugby placing: 1st.

Overall Rugby placing: Joint 2nd.

House News

Bronte cont

It's been another fantastic year for Priestley House with a great deal of success in a wide range of competitions

Inters Cricket:

A semi-final draw against Clarke was the one we didn't want, word spreading and reducing Bronte's 12 to 8! Led by **Ed Brown**, the team bowled and fielded boldly, containing Clarke's batting and limiting the damage (with some no-balls) to a respectable 76 runs for 6 wickets, **Michael Marples** with the opening two out of the three overs, **Hrishikesh Ventakesh** taking 2 wickets, **Dom Harris** taking 1 wicket, **Byron White** having the perfect start to an over, dot ball and then a wicket, **Jake Thompson** and **Jamie Royall** 1 wicket each.

With a hard worked balling / fielding display, Bronte Inters stepped up to the crease with the added pressure of being two batsmen light - the numbers game took hold, Bronte all out for 51 runs, **Hrishikesh Ventakesh** being the biggest hitter for the Inters team at 13 runs.

With 3rd and 4th place decided on runs, Houldsworth's 'losing total' in the other semi-final relegated Brontë to fourth.

The players were: Year 10: **Ed Brown (Captain)**, **Freddie Ward**, **Jake Thompson**, **Michael Marples**, **Dom Harris**; Year 9: **Jamie Royall**, **Byron White**, **Hrishikesh Ventakesh**.

Junior Cricket:

As usual, the mighty Bronte Juniors fielded a full team with additional names for subs, demonstrating commitment for the House on every occasion!

Bronte Juniors faced Clarke for the semi' finals who had two outstanding players by the name of Tom, but undeterred by the tag team of the two Toms, **Freddie Blades** led the bowling for Bronte Juniors. It is fair to say Clarke "battered" Bronte's boys with 87 runs for 4 wickets.

Undeterred by the "battering", the Bronte boys came out to bat but their courage and commitment weren't quite enough this time having being all bowled out for 47 runs.

Nothing can be taken away from the following boys who did their best in very difficult circumstances:

Finley Berry (C), **Tyler Grogan**, **Richard Nwabude**, **Cian Casey**, **Freddie Blades**, **Raunaq Mohammad**, **Hamza Aziz**, **Rohan Patel**, **Isac Donovan**, **Mohammad Ahyan**

Sports Day Report 2018 - Bronte Boys

Bronte boys were outstanding, on participation, contribution, team-work and performance, as House Master I was very proud of the house!

Year 7s had an incredible introduction to HGS's annual sport day, with **Sam Sepehri** coming 1st in 400m and Discus, **Alfie Bean** coming 1st in 800m, **Freddie Blades** coming 1st in 1500m, **Matthew Howell** coming 1st in the high jump event.

House News

Bronte cont

Year 8 stood out for having a great team spirit, with supporting each other throughout the day's events. Special mentions go to **Temwisha Zulu** for coming 2nd in 400m, and **Fahim Ayub** coming 2nd in the javelin event.

Year 9 Bronte boys, also known as the Year 9 Bronte Warriors did not disappoint by dominating most events. Shout outs go to **Hishaam Rannjam** coming 2nd in 400m, **Jamil Munir** coming 1st in 800m, **Byron White** coming 1st in the javelin event, **Jamie Royall** coming 1st in the high jump; the relay team of: **Jamil Munir, Sam Wheatley, Raheem Miller, Daniel Damo** coming 1st and **Hamzah Ali-Ahmad, and Haider Abbas** being part of the Tug of War winning team. An extra special shout out goes to **Raheem Miller** for coming 1st in the 200m and coming 1st and breaking the HGS record in the Shot Put event!!

Year 10's had a lot of the regular / dependable faces that turned up and performed for the House! Year 10 Bronte boys did exceptionally well in the field events with **Chris Carter** coming 1st in 100m, **Tom Grierson** coming 1st in 400m and coming 2nd in javelin, **Ed Brown** 1st in 800m, **Dominic Harris** 2nd in 1500m, **Jake Thompson** coming 2nd in the high jump event; and finally **David Peng and Aditya Tangriala** being part of the Tug of War winning team.

Year 12 Bronte boys fielded a full team for all events and gave their all in all of the events. Standouts for the Year 12 boys were: **Manryan Khaira, Ammar Mahdi, Jack McCardle, Soban Haider** being part of the Tug of War that narrowly lost in the final to claim 2nd prize, and **Richard Carter** for coming 2nd in the javelin event.

Sports Day Report 2018 - Bronte Boys

On Friday 13th July the Annual House Athletics Competition took place. As always it was a brilliant event with high spirits and competitive performances. The only negative on the day was having the first rain fall in over a month towards the end of the morning but it didn't dampen the spirits.

There were some fabulous performances with **Isabella Lister-Smith** finishing 1st in the 800m and Beth Waterfield finishing 1st in the 1500m for year 7 Girls. **Isabel McNulty-Senior** also finished first in the 100m for Year 10 and Anna Basford was first in the 150m for Year 9.

Thank you to all the girls who took part and contributed to Bronte finishing in second place overall. It really is appreciated. Finally, special mentions must go to Hollie Smith in Year 12 who got a new record for 400m in 1:06 and a special thank you to **Kate Dalton** who stood in last minute in the Year 10 Girls 800m and finished 2nd.

Overall summary

This was my first year as House Master for Bronte boys, and I can honestly say it has been a privilege to lead such an enthusiastic, hardworking and loyal set of boys! The role has allowed me to get to know so many more students in the school, and loyalty from the Boys in Blue has made it an amazing first year as House Master – In the words of **Oliver Hainsworth** and **Freddie Blades** in Year 7 "Bronte for Life""

Mr Bassar & Mrs Swann

House News

Bronte cont

House Music Report – Bronte

Bronte House fielded 37 entries for House Music this year, all of which were outstanding and did the house proud. A summary of the outcomes for Bronte:

In the Year 8 Solo Vocal **Isabel Hudson** came joint 1st and **Natalie Kaniyimo** getting 3rd place from 11 entries for Bronte.

In the Year 9 Solo Vocal competition, **Rosie Masud** secured the 2nd spot and **Melissa Johnston** getting the 3rd; whilst **Max Gent-Larroche** secured 3rd place in the Year 9 Solo Instrumental

Sophie Chatwin successfully achieved 1st place in the Year 10 Solo Instrumental competition, whilst **Freddie Ward** got the 4th. **Mia Howden** got the 3rd spot in the Year 10 Solo Vocal.

In the Year 7 Small Ensemble **Isabella Booth & Betty Briggs** secured the 2nd spot for Bronte.

For the Musical Theatre Class **Mia Howden & Holly Simpson** got joint 3rd for Bronte!

At the start of the competition Houldsworth & Priestley were out in front on entries, but both on equal points. Bronte took a few points during day 2, but Priestley picked up quite a number of wins during the day to end up just 3 points ahead before the final class.

Overall Bronte achieved 60 points which proved not to be enough this year to be the best Musical House and thus ending in 4th position in the end for House Music.

Clarke

Junior Rounders

During this House event all the girls persevered, and by trying their best achieved 3rd place. A few girls stood out including **Komal and Maisie** who scored a rounder during the matches, one against Bronte and one against Houldsworth. This was challenging due to the fact that these houses excel in sporting activities. Some other exceptional students were: **Matilda**, who batted very well, and **Umme** who was a star fielder.

Overall, we believe that the girls played to the best of their abilities, and hopefully next year, we might get second place, or even first! However, we are proud of the outcome and have improved our skills throughout the matches.

Clarke cont

Inters Rounders

Inters house rounders 2018 was an exhilarating experience for both participants and spectators.

The first game was Clarke V Houldsworth in which Houldsworth came out victorious, with an excellent team and therefore an excellent final score. Meanwhile, Bronte played against Priestley where Bronte were the winners after outstanding batting from the team, in which they were able to score numerous rounders. The second round was tremendously competitive where all girls played extremely well. Clarke competed against Priestly and superb batting skills were demonstrated by **Isabella Myers** and **Evie Hargreaves** from Clarke and astonishing fielding skills from **Nandini Meta** from Priestley. The turnout was an astonishing win from Clarke.

Overall, every player played exceptionally well and taking in the final two games, Priestley and Houldsworth came out on top with Clarke in third place.

Aaminah Patel, 10SGN & Hadiqa Naseer 10SMN

Team

Keira Green, Lisa Wagstaff, Grace Turner, Hadiqa Naseer, Saffiyah Daji, Aaminah Patel, Olivia Jenkins, Isabella Myers, Evie Hargreaves, Holly Beaumont and Ellie Doran

Sports Day

After an unusual month-long spell of heat waves and sunshine, the Princess Mary running track was unusually overcast and cool, providing perfect conditions for the most anticipated event of the house calendar. Priestley already with one hand on the Lees Cup due to a commanding seven-point cushion, a real battle was taking shape amongst the other three houses. The sports event was the most crucial in recent times; Clarke currently in 2nd with Bronte and Houldsworth tied in 3rd just 1.5 points adrift. The conditions were set for a nail-biting morning.

Sports Day cont

Clarke's first win of the day came from **Asish Chittamuru** in the Year 8 800m. A convincing and comfortable sprint in the last straight secured Clarke's first victory. Later, **Bella Myers** added to the scorecard in the same event, this time representing the year 10 girls. Bella finished with a substantial lead as she crossed the line.

In the 200m, year 7's **Jack Blakeley** ran a close 2nd, while it took a dive over the line from Clarke Captain, **Luke Nixon**, when he lost his balance in the last 10m of his race. He secured victory with pressure building behind; Clarke's second gold of the day registered in an unorthodox fashion – but they all account, as they say. **Aimee Carter** ran a sound 200m for Clarke girls as she arrived home comfortably in 2nd place. There was a theme appearing to emerge.

In the girl's 300m sprint event, a trio of team Clarke runners all secured successful finishes in quick succession. **Mia Harrison** began the set, followed by **Lisa Wagstaff**, before **Lily Mae Sharpe** completed a hat-trick of 2nd place finishes. Clarke proceeded to run well.

House News

Clarke cont

Evan Hemingway made convincing strides to dominate his 400m race. In the last straight he showed no signs of slowing despite a commanding gap. A convincing performance from the 9MLG runner. Clarke had to wait until Year 12's race over the same distance for another medal. **Adam Ibnouzaki** found himself in third place after the first bend of the sixth form 400m race. A perfectly timed run with fuel still in the tank allowed "Ibnou" to stride to victory for an emphatic finish. His impressive attack has a talking point among on-looking track officials. Deservedly, Ibnouzaki set a new school record of 59.13. An outstanding display from the HGS freshman.

In the 100m, **Matthew "Tsteve" Tsang** received a thunderous applause for a 3rd place finish, which shows the impact he has had on his house, year group and the school as a whole. A fantastic presence in the school community and a great run. To the student that Mr. Stokoe simply describes as: "rapid", Oscar Lau claimed a clinical Clarke 1st – but it didn't come easily in this furiously fought battle with **Henry Pollard**. Year 9's Bella Murray continued the winning streak with another gold, before **Rahul Ho-Shing** was narrowly pipped to the line by **Harry Hobson** of Priestley. Like **Nixon** before, captain **Ho-Shing** crossed the line in a tumble. He had to settle for 2nd for what could have done with a photo finish for clarification. An injured **Ho-Shing** was joined by **Hobson** as the two lay on the ground: a vision of true sportsmanship from the race winner. **Joe Dewhirst** took another 2nd place for the year 10 boys with a solid performance before **Hamzah Taram** added to a successful track sequence in the last of the sprints with yet another silver finish.

Martha Currie lead the 1500m convincingly from the pistol to complete an world-beating long-distance run, leaving a commanding 200m lead in her wake. **Julia Millington** took 2nd place to add to a pleasing start to the long-distance category for the girls, while **Sam Lenners** added to the spoils coasting to yet another 2nd second place. In the same race, **Holly Beaumont** broke the mould to take 1st place with another convincing win for the yellows.

In the first of the field events, **Tom Burton** placed 1st in the javelin with a throw of 20m. Soon after, Year 9 athlete, **Mackenzie Hinchliffe**, took 2nd place in the discus, before **Luke "Nico" Nixon** brought home another gold. In the girls events **Ellie Doran** was awarded joint first place in the high jump and **Lola Phelps** was joint first in the discus. Clarke leader and Head girl elect, **Fiona Maynard**, leaped the furthest in the long jump with a staggering distance of 4m – a new school record – comfortably overshooting the previous distance of 3.20m set last year. An outstanding achievement for her. After competing in track events, **Martha Currie** and **Aimee Carter** followed and took to the long jump with grace; each registering 2nd place jumps to further add to Clarke's success in the sand. **Holly Beaumont** followed with her second event in the same category. She refused to be beaten and grasped another gold for the yellows with a leap of 3.65m.

In the boy's long jump, Clarke athletes were simply unbeatable. At the end of the event, 1st place finishes were awarded to **Oscar Lau** (Y8), **Elliot Lunn** (Y9), **Henry Sykes** (Y10) and **Jimmy Harding** (Y12) – **Harding** contributing a new school record of 5.30m. In the tug of war, both the juniors and inters took 2nd place, and in the final spectacle of the day, Clarke's sixth form team completed the series with gold.

Clarke cont

It was a consistent continuation of the day in wake for the 4 x 100m relay races. 2nd place finishes from the year 7 girls, year 8 boys, and year 9 girls. The deadlock was broken when the year 9 boys took 1st place. Anchored by **Rahul Ho-Shing**, this time finishing on his feet and in no need of a photo finish. He crossed the line with a commanding lead before relishing the win, in good faith, celebrating by pretending to snap a photo of the finishing line to pay homage to his 100m silver. The year 12 boys relay team would finish the morning with a final 4 x 100m 2nd.

As a result of a fiercely contested affair, Clarke battled valiantly. The girls finishing in 3rd place and collecting two Lees Cup points; the boys finishing in 2nd to bring the Lees cup total to five points on the day – tied with Bronte House. An excellent result.

Cricket

Junior

Another cricket match. Another warm summers eve on the MUGA. Another semi-final draw with Bronte. The junior cricket competition shares a lot of similarities with the intermediate event. After winning the competition at intermediate level, hopes were high for a Clarke team that boasted not one, but two Yorkshire youth team cricketers: **Tom Burrow and Tom Burton**.

It was Burrow and Burton who walked up to stump to open an impressive innings. Both batsman declared early doors; Burrow after three overs and Burton on five. **Lenners** opened his account with the first six of the competition. An stunner of a start that continued until he was caught with just one ball left from the session. He walked on 23. Clarke 94 for 1 at the break.

Junior cricket cont

Bronte finished on 47 for 8, but the score line does not do the team justice as Mr Stokoe comments.

"The attitude and sportsmanship on display from Bronte House was outstanding. The blues were determined and continued to work hard throughout the match. Bronte had a fantastic turn out of players – which is a huge priority for the house team. I think we should also recognise how many year 7 students were fielding for the blues. Many thanks to Mr Basser's team for a competitive evening of cricket".

Inters Cricket

A sun-drenched summers eve provided the back drop for Clarke's first one day test against Bronte house this season. A ten-strong Clarke team chose to open the batting with Clarke Captains, Nixon (Y10) and Ho-Shing (Y9) walking into crease for the first over. Both batsman opened fair accounts as Clarke collected a handful of runs after two ends despite solid overs from Marples and Ventakesh.

It was Clarke batsman **Daniel Nash** that gave the yellows something to applaud. Nash eventually caught for 15 runs. **Ho-Shing** had a long and prosperous innings. He was run out in the end, but walked away with 23 runs. Nods also go to **Lunn** and **Hawkins** for added additional runs – Clarke ending the innings on 76.

House News

House music report – Clarke

Another exciting competition lay ahead of us and we were mindful of the fact that in previous years although we have had several winners, we haven't won before, often due to the fact that we didn't have as many entries as the other houses. We had more entries this year than in previous years but unfortunately so did the other houses!

The competition started really well for us with a first and second (**Julia Millington and William Hughes**) in the year 7 solo instrumental class. This continues with a first from **Rowan Lightfoot** in the year 8 solo vocal class. There were many other successes in other classes but the next first place came from **Ellie Doran** and **Isabella Myers** in the year 10 small ensemble class. Our final win of the competition came from **Fiona Maynard** in the year 12 open class.

It was a really close competition with the lead changing from house to house over the 2 days. We are really proud of all our participants and really appreciate all the hard work and effort that has gone in to the competition.

Houldsworth

Rugby

House Rugby was very much a story of two halves for Houldsworth House.

The Year 7s won their competition with a dramatic last minute win against Priestly in the semi-final, followed by a fantastic 6-4 win against Clarke in the final. Both matches involved great performances from all involved, with standouts being **Douglas Payne**, **Idrees Shafiq**, **Harvey Swift** and **Woody Walker**.

The Year 8s came second with fantastic scraps against Priestly (6-4) in the semi-final and Clarke (4-7) in the final. Total commitment was shown throughout by the team, with **Ali Musa**, **Henry Pollard**, **Elliot Palmer** and **Mohammed Hussain** excelling. Unfortunately, we failed to raise full teams for the Year 9 and Year 10

Cricket

The Senior team was not great in numbers, but great in spirit. Despite the numbers working against us, a strong effort was put forward by the team members. One run behind to earn a third place finish, **Josh Scaife** was run out in the one most unfortunate stroke of luck as an other-thrown ball hit the opposite stumps to the ones the fielder intended to hit.

The Junior team put in a magnificent performance in the semi-final against Priestley. With some fantastic bowling including great overs from **Henry Pollard**, **Harvey Swift**, **Noah Chapman**, **Partha Khanna** and **Ayaan Aziz**, Priestley set us a target of 76. Drama ensued, as 25s from **Noah Chapman** and **Henry**, plus a strong supporting performance innings from **Harvey**, put us in a strong position with two overs remaining. However, fantastic fielding from Priestley meant the result went to the last ball, with **Ronan D'Souza** scoring the final run to see us through.

The final against Clarke was another dramatic affair. Fantastic bowling again, with **Ayaan** claiming three wickets, gave us a score of 52-6 to chase. Another 25 from **Noah and Ronan** determined to stay in his crease and bould a score, we approached the last over needed two runs to win. This set up Henry's grandstand finish with a 6 to win the game 57-2 and the Junior competition. Brilliant performance, effort and spirit from all involved.

House News

Houldsworth cont.

Music

We were very impressed by the performances that we listened to and it is clear that we have a very musically talented house! There were lots of entries in all categories and this was very pleasing.

Highlights;

Year 7 - **Alec Lai** and **Woody Walker** Houldsworth came joint 3rd in the solo instrumental, **Nikhila Chintakayala** came 2nd in the solo vocal and **Woody, Douglas & Morgan** came joint 3rd in the small ensemble. **Sahara Hussain** and **Becky Chang** came 2nd in the musical theatre class

Year 8 - **Eleanor Lilley** came 1st in the solo instrumental and **Druvan, Dom, Anwen, Evie & Sam** came 1st in the small ensemble

Year 9 - **Claudia Lai** came 1st in the Solo Instrumental

Year 10 - **Aleks Kent** came 2nd and **Jeevan Ganatra** came joint 3rd in the Year 10 solo instrumental.

Ed Charlesworth came 1st in the Year 10 solo vocal (I watched this performance and the whole room was moving to the beat – it was great! Mrs Pyrah)

Year 12 - **Taylor Scaife** came 2nd in the open class

Houldsworth came 2nd (again!) and this is a huge achievement, but if we could just gain a few more entries next year, we truly believe that 1st place is in our grasp.

Drama

Houldsworth's winning drama performance of Hairspray was a pleasure to watch and the whole cast were an absolute credit to the house. **Amelia Glover-Jewesbury** starred as the optimistic **Tracy Turnblad** and with **Lucas Jackson** as her mum Edna, the Turnblad family were definitely unforgettable. The role of show host Corny Collins was skilfully undertaken by **Ben Kirk** and **Sam Langley** played an energetic Link Larkin. With fantastic acting and great songs such as 'you can stop the best', the production was a huge success

Special thanks go to **Taylor Scaife**, **Eve Halmshaw** and **Emily Haworth** for their outstanding commitment to directing and producing the show. Well done to everyone involved!

Chess

Houldsworth earned an impressive victory in the House Chess competition. The team of **Dileep Darjipati**, **Josh Scaife**, **Partha Khanna**, **Sanath Medicherla**, **Alec Lai** and **Ayaan Aziz** convincingly beat Clarke with score of 4.5 v 1.5. **Jamie Allinson** came in for Josh in the Final, and it was a good job he was available because with his contribution we sealed the competition by a tense 3.5 v 2.5 margin.

House News

Houldsworth cont.

Sports Day

One of the most successful in terms of victories for the Boys team in a number of years. Despite still finishing fourth, for long periods, the boys were in second place. The girls however did not manage to achieve the same level of success, but there were still some impressive performances. Highlights for the boys and girls include:

Year 7

For the boys, there were victories for **Aman Ali** and **Woody Walker** in the 200m and Shot respectively.

In the girls' events, there were 1st places for **Ava Higgins** in the 200m and Ella Lister in the long jump. 2nd places went to **Sahara Hussain, Clara Finn and Amy Cross** in the 800m, 300m and 100m respectively.

Year 8

Elliot Palmer winning and beating the school record for 400m, with **Henry Pollard** and **Zain Tahir** winning in the High jump and Discus.

Ade Egbeleke and **Eleanor Linsell-Fraser** gained 2nd places in the 800m and 100m respectively for the girls.

Year 9

Sam Langley dominating the 1500m, with **Ben Kirk** and **Josh Hall** winning in the Discus and Javelin.

Year 10

For the boys, **Max Metcalfe** won in the 1500m and a wonderful team effort to gain victory in the 4 x 100m (**Mohsif Mirza, Harry Rhodes, Hamza Munshi and Jonathan Fawole**).

The high number of first and second places, particularly in the lower years suggests that future Sports Days may bring success to Houldsworth boys' and girls' teams.

Another pleasing success on Sports Day was the Junior Tug of War. Led by a determined **Muhammed Hussain**, the team worked well and smartly to overcome the opposition. Well done to everyone involved! Thank you to all involved

Priestley

Mr Haigh and Mrs Pyrah

Chess

A committed team of chess players willingly gave up two of their lunchtimes to take part in the Chess competition. Despite some very close matches and a great deal of enthusiasm, we came fourth in the first round. In the runners up play off, again our chess players were amazing in their concentration and commitment and we attained fourth place. Well done and thanks must go to those who contributed to the competition and also to Mr Taylor who managed such an exciting event.

House News

Priestley

Cricket

As the Lees cup starts to reach its climax the events are coming thick and fast with lots of points to play for. Next up for the boys was the cricket with the Inters the first competition. Fielding a high calibre team we elected to bat first against Houldsworth and with strong batting from **Nicky Sheard, Harry Hobson and Ans Muhammad** we posted an outstanding total of 99 runs for Houldsworth to chase. Unable to deal with our precision bowling from **Oscar Smith and Harry Hobson** we managed to bowl Houldsworth all out for 52 to go through to the final.

In the final we faced a strong Clarke side that elected to bat first and after some tight bowling from **Jack Selby, Nicky Sheard and Aryan John Clarke** posted a challenging 41 runs. After a positive start from our batters our runs seemed to dry up and with 1 over remaining we needed 6 runs and with our last batters. But with two balls remaining Clarke managed to pull off a wonder catch to take the victory.

Next up was the junior competition and with over thirty students volunteering Mr Keenleyside had the difficult task of selecting only fifteen. Facing a strong Houldsworth side we batted first and with strong batting from **Alex Hughes, Gilbert Clough and Aryan Bhupathiraji** we posted a respectable 77 runs. Houldsworth with their strong batting team came out all guns blazing and reached our total with an over to spare. Massive well to all students who took part and volunteered and with our total in juniors we had finished 3rd.

After the completion of the cricket we had finished a fantastic joint 2nd which means another 3 points to our Lees cup totals

House Music

Aa brilliant number of students volunteered to sing, play and perform in House Music. One has to admire their courage – to perform in front of a large audience and judges is incredibly nerve racking and our volunteers need great commendation for that alone. We had the largest number of entrants by a small margin – and despite some brilliant performances, by the final class, we were in second place. But the Music Theatre round showed some dazzling performers – **Kirsty Gregory; Pooja Patel, Kristina Todd, Samah Shahari and Aisha Umarji; Jessica Hirst; Darcy Sykes; Cerys and Abigail Harrison** and the eventual winners, **Zara Hardcastle, Cerys Harrison and Teagan Clegg**: their accumulation of points put us into first place at the last moment. Well done to everyone who performed and keep practising for next year! Thanks must go to Mr Cole, who as always orchestrated a fantastic event.

Rounders

The girls' Rounders competition were fantastic examples of our team spirit. The Junior Girls volunteered in large numbers and played with great spirit. Fantastic fielding from **Gemma Walker and Lily Messenger** in Year 8 meant that it was difficult for the other sides to score and we played with great power and enthusiasm when we were batting. Similarly successful were the Inters team who played with a great sense of fun and commitment, with tight fielding and strong batting.

Both teams won all three of their matches and we took first place overall. Well done!

House News

Priestley

Rounders cont.

Juniors

Laila Smith, Libby Sweeney, Jess Wilson, Eleanor Lilley, Eleanor Linsell-Fraser, Eshaal Hussain, Freyja Grayshon, Ava Higgins, Amy Cross, Nany Roberts, Olivia Smith, Tanishka Gandhi, Becky Chang

The Houldsworth junior rounders team won 2 out of their 3 games, only losing to Priestley. Every member of the team contributed in the games and I was impressed everyone's attitude. I feel confident that this success can be built upon for next year and well done to everyone who took part!

Inters

Lucy Cornforth, Olivia Helliwell, Sophie Cross, Japnbir Kour, Trisha Dubey, Hannah McQuinn, Amelia Glover-Jewesbury, Haania Asghar

Inters rounders was played on a very hot and sunny day, which proved challenging for everyone taking part (or umpiring!). Unfortunately the inters rounders team lost all of their games, but the team spirit and enthusiasm was a credit to our house (as always). Our fielding was good, however our bats struggled to make good contact with the ball and therefore we were unable to score enough rounders to secure wins. Highlight of the day; Hannah's leaping catch. Well done girls

Sports Day

Sports day was a magnificent achievement for the Priestley Girls' team. Every lane was filled and many of the team practiced before the event with Mr Keenleyside, showing a determination and ambition that was to serve us well during the competition. The results really were phenomenal: the girls came first in every relay race and in the rest of the competition we won 29 out of the 50 possible events – it would seem that the Tug of War, which was undertaken with great effort and cheerfulness – was our weakest event! There were some stellar performances from the girls in every year group and our Year 12 girls acquitted themselves with commitment and enthusiasm. A massive thanks to everyone who took part and to everyone who cheered us on our way!

House Drama

The House Drama competition was a very closely fought affair with Priestley's contribution 'The Dancing Princesses'. It was written, produced and directed by **Lucy Crawshaw**, who masterminded a very accomplished and joyful production. Ably abetted by **Abi Chappell Dixon**, the rehearsal room had been one of the happiest I have witnessed. Students from Year 7 to Year 13 took part and worked together beautifully. The performance was excellent. Isaac and Ethan Roy played the wicked king and heroic prince respectively; the 12 princesses undertook a challenging dance routine with elegance, and even our multi-talented director, Lucy, played the wicked witch - all of the cast were outstanding. It felt a fantastic celebration of team work and our achievement of second place was a brilliant recognition of a wonderful experience for both the cast and audience. A colleague remarked to me afterwards, "That was quite magical." Lucy was also awarded the Tony Couch Cup, given to the person who had made the strongest contribution to the competition and our thanks must go to her and Abi and all of the cast and crew for such a lovely performance and for all of their commitment and hard work.

Heckler News - Sports Round-Up

Athletes Represent Kirklees in the West Yorkshire Championships

♦ Jacob Pow	Junior Boys	800m	3rd place
♦ Megan Taylor	Inter Girls	80m Hurdles	1 st place
♦ Bronwen Brown	Senior Girls	Shot	2 nd place
♦ Hollie Smith	Senior Girls	Javelin	1 st place

Cricket

Under 13 cricket team

The Under 13 cricket team travelled away to play Brooksbank in the second round of the County cup at Stainlands C.C.

A delayed start allowed only enough time for a 10 over match.

Brooksbank were put into bat and the HGS opening bowlers, **Sam Lenners** and **Adam Khan** made a good start with some consistent deliveries restricting scoring opportunities for the Brooksbank opening batsman.

Year 7 pupil **Tom Burrow** was the first bowling change and he produced a devastating spell taking a hat trick in his second over leaving him with impressive figures of three overs, one wicket maiden and five wickets conceding only three runs.

Fellow Year 7 pupil **Aryan Bhupathiraju** linked up well with keeper **Noah Chapman** to take the sixth and seventh wickets leaving Brooksbank on 32 for 7 from their ten overs. Heckmondwike openers **Tom Burrow** and **Noah Chapman** made light work of the run chase before Noah was caught in the slips chasing a wide delivery.

Tom completed the innings scoring an unbeaten 22 runs from only 4.2 overs and was well supported by Captain **Alex Hughes** to give Heckmondwike the win by 9 wickets.

The team face Brighouse in the next round.

Well done to all of the players.

- Congratulations to Year 7 pupils **Tom Burton** who has been selected for the Yorkshire A - U12

Under 15 Cricket Team County Champions.

The Under 15 cricket team led by captain Graeme Winn, secured a comfortable victory over Easingwold school in the county final held at Ossett Cricket Club. In perfect weather conditions, Heckmondwike won the toss and put Easingwold into bat.

The teams fielding and bowling was not up to its usual high standard and Easingwold raced to 50 off ten overs.

Heckler News - Sports Round Up

The drinks interval after 20 overs allowed the team to refocus and plot the collapse of the Easingwold batting order.

Some outstanding fielding, bowling and intelligent captaincy saw the wickets start to tumble in an England style collapse.

Four wickets fell with only one run being added to the Easingwold total, **Hardcastle, Tyrell, Hussain** all took wickets and **Stiff** bowled well despite not taking a wicket. The star of the innings however was Winn finishing with figures of 5 for 23 from his 8 overs.

Easingwold were dismissed for 121 all out with 4 overs still remaining

After lunch, The Heckmondwike opening partnership of Winn and Stiff made steady progress moving to from overs before Winn was bowled by an unplayable delivery.

Ben Tootell came in at number three and supported **Will Stiff** as he attacked the Easingwold batting, his 84 not out consisted of fours and sixes. The winning runs came from a massive six over the square leg boundary. The winning target was achieved with 6 overs remaining

Team: **Tom Burton, Noah Chapman, Aryan Bhupath, Harvey Swift, Raunaq Mohammad Ayann Aziz, Azaan Aziz, Idrees Shafiq, Ruthvick Kothpall, Jack Blakeley, Woody Walker.**

Year 8 cricket team Season review

At the start of the season confidence was high with a large number of cricketers turning up for training having been entered into the Yorkshire Cricket challenge cup. Up first was Mirfield who conceded the match, clearly scared of our potential. Next we were away to Brooksbank who couldn't deal with our precision bowling with us bowling them all out for 32 runs. We reached this total in only 4 overs with strong battling from **Alex Hughes** and **Tom Burton**.

Quarter finals next and home to a very strong Brighouse high. We elected to bat first and started in confident mood with an array of shots hitting the boundary from **Tom Burrow** and **Tom Burton**. After our 16 overs we had a challenging 122 runs with **Tom Burrow** finishing 44 not out. We set about protecting our score with strong bowling from **Henry Pollard, Sam Lenners** and **Gilbert Clough** who all bowled perfect line and line and after their 16 overs Brighouse had only reached 88 runs.

Semi-final time and away to Holmfirth at Thongsbridge cricket club. In near perfect cricket conditions we selected to bat first and started well with a run rate of 8 an over. Strong batting from **Tom Burrow, Tom Burton** and **Noah Chapman** gave us a total of 111 after 16 overs. Excellent bowling from **Tom Burrow** and **Harvey Swift** kept the pressure on the Holmfirth run rate as very evident this game was going to the wire. After 14 overs Holmfirth required 6 runs to win but with fantastic bowling from **Sam Lenners** and in the final over Harvey Swift Holmfirth needed 4 runs from the last two balls. Sadly Holmfirth hit a boundary to reach our total on the final ball to leave us utterly devastated.

Fantastic achievement to reach the semi-finals in their second season as a team. Well done to all the team.

Heckler News - Sports Round-Up

Sports day 2018—Friday 13 July 2018

This was a fantastic event with some superb performances. Despite rain appearing after a months absence, this did not dampen the efforts and enthusiasm on display from both the competitors and spectators.

Priestley House led by Mrs Lumb and Mr Keenleyside were the overwhelming winners finishing in 1st place in both the Girls and Boys respective competitions:

Girls:

1st - Priestley

2nd - Clarke

3rd - Bronte

4th - Houldsworth

Boys:

Priestley

Bronte

Clarke

Houldsworth

There were some outstanding individual performance on the day with the following new school records being set:

Event	Name	Time / Distance
Year 8 Boys 400m -	Elliott Palmer	1.03
Year 12 Boys 400m -	Adam Ibnouzaki	59.13
Year 12 Boys 100m -	Toby Sanni	11.78
Year 12 Boys LJ -	Jimmy Harding	5m.30cm
Year 12 Girls 400m -	Hollie Smith	1.06
Year 12 Girls 100m -	Sienna Haynes	13.97
Year 12 Girls Javelin -	Hollie Smith	25m.60cm
Year 12 Girls LJ -	Fiona Maynard	4m.00cm

Many thanks to all the competitors for their efforts on the day and the sporting way in which they supported performers from all houses.

Thanks also to all the staff, Year 12 and Year 13 students who helped to organise and run the event, your help was very much appreciated.

Mr Walker

Sixth Form News

Head Boy & Head Girl Introduction

My name is **Callan Redfearn** and I am the Head Boy of the school for the upcoming year.

I have been a part of the school since year 7 and know just how difficult adjusting to high school life can be. People who know me know I really love the sound of my own voice and so I'm always willing to talk with any student who wants a chat and hopefully try to make this transition a little bit easier for new students.

Next year my main aim is to stop the sixth form and main school from being driven apart by the relocating of the sixth form centre. I have always loved that the sixth form and main school have been able to interact and feel it is especially helpful for new year seven students starting in September. For them to see a friendly face in the corridor can really help them come out of their shell. With the move happening next year it is likely this could affect the sixth form presence and I want to do all I can to try and prevent this from happening. I would also like to set up mentoring schemes for all students who feel as if they need help. Whether they're in year seven or they're in the sixth form I want students to gain as much help as possible to help them be successful. I'm looking forward to what next year has to offer and hope that every student has a fantastic year too.

Hi, my name is **Fiona Maynard** and I'm going to be head girl for the upcoming academic year. Since being at Heckmondwike from year seven I have become accustomed to everyday life at the school and believe it truly is an excellent place of learning and a safe space to socialise and make lifelong friends.

Whilst this school is known for its academic excellence, there is much more that Heckmondwike has to offer. My main aim as head girl is to increase sixth form participation in the House system at school, and use this as a release from the stresses of A levels. Having completed year twelve, I know that the house system helped me to relax, whilst being a great tool to make new friends and meet students from lower school who I would not have met otherwise. The house system has something for everybody, and I want to make all these events available to sixth form and ensure that events are well publicised so everyone can get involved.

Those who know me will tell you that I'm very confident and will speak to anyone. I want to make sure that students here always have someone they can talk to, a friendly face in the crowd. Not only do I plan to be that friendly face, I also plan to set up a student support network, whereby students who wish to talk to someone about the stresses of sixth form life, the strains of balancing work with social life, or any other problems they have, can talk to someone who can relate to the pressures they are feeling. This will ensure that all students have the support, the tools and the mind set to succeed in all their endeavours and make the most of their experience at Heckmondwike.

I'm very much looking forward to the upcoming year to work with Callan, the senior committee and the student body here to help create an environment that everyone is proud to be a part of.
