

Design Ventura- Winners!

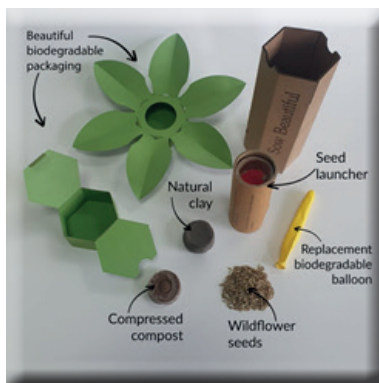

On Friday 11 June, a design team consisting of Alice Cheesbrough, Naomi Fisayo, Hannah Rouse and Emily Sharp (with Mr Stevens and Mrs Power tagging along) attended a Celebration Event at the Design Museum in London after being shortlisted for the Design Ventura Award.

After being given time to explore the inspirational exhibitions, we made our way to the Huth Gallery for the formal awards ceremony. The seven shortlisted teams were all presented with an award and certificate, ending with the Sow Beautiful team from Heckmondwike Grammar School being announced as overall winners! Once they had stopped shaking from the excitement of their well-deserved success, Alice, Naomi, Hannah and Emily were smiling from ear to ear and almost bursting with pride. It was a wonderful and emotional event to be a part of.

Since winning the competition, Alice, Naomi, Hannah and Emily have been pushed out of their comfort zones several times, taking part in a live interview on BBC Radio Leeds and a recorded interview which will form part of a segment to be show on Leeds TV (Freeview 7 / Sky 117 / VM 159) on Wednesday 23 June from 6pm. It has to be said, that they have all taken to their new media duties like proverbial ducks to water.

The journey doesn't end here. The team will now work with a professional product design company to develop the seed launcher to ensure it is suitable for commercial manufacture. The product will then be professionally produced before being sold in the Design Museum shop (we've already had a pre-order for 50 of them!). All profits will be donated to Kirkwood Hospice- chosen by the team members themselves because of their close connections with the charity.

Alice, Naomi, Hannah and Emily are incredibly talented innovators and we hope that this triumph is the first of many achievements for them in the world of design.

We are incredibly proud of what these young ladies have already achieved and very much look forward to seeing how this project develops in the coming months and years.

Bring the buzz back to Britain!

We are supporting the Great Get Together, inspired by Jo Cox, a former pupil and head girl of the school

On Thursday 24 June 2021, Mellors, our catering provider, are donating cookies for us to sell and raise funds for this cause. The cookies will be on sale during break times at a cost of 50p each. Due to the low sale value we can't facilitate this through ParentPay so we are having to default to the more traditional table sale with cash payments. Due to the need to minimise waste, we will only have a limited number of cookies, so it will be first come first served. Please could you therefore ensure your child has the correct money available should they want to buy a cookie on Thursday. We apologise that we will not be able to manage change requests due to the pandemic. All funds raised will go to the Jo Cox Foundation.

We will have the facility on ParentPay, for anyone wishing to make a general donation to the Great Get Together / Jo Cox Foundation.

If you want more info on the Great Get Together and the Jo Cox Foundation please see <https://www.greatgettogether.org/> or <https://www.jocoxfoundation.org/>

Help Stock Needed!!

The British Heart Foundation store in Dewsbury have asked if we could help them with some stock generation. They are running low on stock in quite a lot of their departments for example Bricca, Toys, Men's wear & Ladies Shoes & handbags. The address for the store is 9 Foundry Street, Dewsbury & you can park to drop donations off before 10am & after 4pm.

Store open hours are 9.30am -5.00pm

Thank you

Keep on Running

You may remember back in November 2020 our Deputy Headteacher, Mr Tipler, ran to school from his home for Children in Need, covering a distance of 15 miles. It was part of his Run Streak Challenge, and we caught up with Mr Tipler for an update on his progress:

As part of my New Year's Resolutions in 2019 I challenged myself to complete a 100-day Run Streak. This is where you have to run for at least a mile on 100 consecutive days. I am the type of person that needs challenges and targets to reach. I reached 100 with no problem at all..... but I kept going. So here I am on

18th June 2021 with 900 days under my belt. My wife has been with me on most of these runs, but sadly she had to bow out on day 725 when she fell off her bike and broke her leg. Those of you with a calendar to hand will quickly work out that this was Christmas Day last year (so much of this was spent in A&E). If I have my calculations correct the big 1000 should occur on Sunday 26th September. So, I am planning an event to celebrate this achievement and would like to invite all staff, students and parents to join me on my 1000th run. More in-depth details will follow in the new academic year, but if you and your family would like to run with me then you would be most welcome. My planned route is a figure-of-8 loop, so there are a range of distances you can choose to run: 2.8km, 5.2km and the full course of 8km so all abilities would be welcome. I am also going to raise money for Cancer Research UK in memory of my dear brother-in-law, Matthew, who sadly succumbed to this dreadful disease shortly after graduating from the University of Durham in 2003. All of my big runs (including my Children in Need run) are dedicated to his memory and this will be no different. So many of us are impacted by cancer it is such a worthy cause, and I do hope you will come along and run in the memory of someone dear to you. Further details will be released nearer the time, but please put the date in your diary: 26th September 2021. (After this, I think I will have a rest...my knees are beginning to make a funny noise whenever I walk down the stairs!) I hope to see you there!

Milking it for a good cause

Gilbert Clough, a Year 11 student, was due to go to Romania with World Challenge this summer but the trip has had to be postponed due to covid restrictions.

As Gilbert is continuing his studies at Askham Bryan in September to study Level 3 Agriculture, he decided not to go ahead with the trip and get a refund.

As well as paying for the trip himself by money earned working on his dad's farm, he also managed to raise an additional £900 by selling 100 'lottery' cows to friends and family. Due to his success with his lottery scheme he has decided to donate this money to the local charity 'Luke's lads' which offers mental health support to young men.

Well done Gilbert, and such a worthwhile cause. We wish luck in your studies

I= Eedi

Starts 5th July - Limited Seats!

Learn maths over the summer, the fun way!

Eedi has offered all Year 5 to Year 9 families free access to Eedi Summer Club, an online maths summer program 100% free of charge that will help to boost your child's confidence in maths so it's sky high for the new school year.

Your child will first do a quick placement quiz to set their work and then get recommended topics that'll help them improve the most over 7 weeks. Your child will get unlimited access to review questions, videos and live chat support with real teachers over the holidays. You'll also get weekly

reports on how they're doing.

The minimum recommended work is 1 lesson a week, which should be around 30 minutes of work.

Each week, Eedi will hold competitions to boost motivation and engagement - from who's given the most thoughtful explanation to a problem to what team has the highest amount of points ☺... Plus there are real prizes up for grabs!

Signup deadline: June 27th (Get Eedi Summer Club for free until this date)

Summer Club Starts: July 5th

Summer Club Ends: August 23rd

If you want to get started using Eedi before the summer club starts, you are more than welcome to! Eedi normally offers just a 14 day free trial, but now you can use it throughout summer for free.

To get the offer, sign up on this [link](#) and create a parent account and get the offer automatically applied.

If you have any questions, please contact family@eedi.co.uk directly.

HGS Student Panel - Ask Any Questions

On Friday 2 July, year 10 and year 12 will take part in a student panel, featuring HGS alumni.

The panel is planned to include:

- An Engineering student at the University of Bradford
- A Medicine student at University College, London (UCL)
- An Economics and Management student at Oxford
- A Law student at Oxford
- An apprentice (company TBC)
- A student who has taken a gap year
- A student who has gone on to study in the USA

The students will briefly introduce themselves and their pathways, before addressing questions posed by our current students.

If year 10 or 12 students have any questions they'd like to ask the panel, they can record them on the

HOUSE MUSIC

House Music Competition 2021

This year's competition will run on

Monday 19th and Tuesday 20th July

We have great pleasure in announcing this year's house music competition. Everyone should consider entering in some capacity and we hope it will be a real showcase of the different musical talents we have in our school.

There are competition classes for various year groups and for soloists, ensembles, instrumentalists and vocalists. All abilities and all styles of music are welcome. We hope it will be a very musical competition that will give our judges some difficult decisions on the day.

Our Musical Theatre class is open to all year groups to perform a piece from a Musical, which may include costumes, props or dancing. Please really consider the character, story and scene from the musical in your performance. You will be judged on how you have interpreted the music for this stage performance. There will be a maximum time limit of 5 MINUTES for each Musical Theatre performance. For this current year, the performances should only include students from an individual year group (no mixed year group performances unfortunately)

Any questions please speak to Mr Cole, Miss Sutcliffe, your form tutor or House Leader

The entry form is below and posted on the House Teams pages.

<https://forms.office.com/r/AprqTMZeqW>

Final Entries by Friday 9th July, 3.15pm
It is very unlikely any late entries will be accepted.

General Rules & Regulations

- Entries are open to all students of the school in years 7 to 13
- Every entry obtains 1 point towards each house total.
- Further points are gained for 1st, 2nd and 3rd places (5, 3 and 1 respectively)
- Any student can enter into any age appropriate category.
- However, only **ONE** entry per category, per student is allowed.
- Any group ensemble item can only be made up from pupils in the same house. **No** mixed house entries of any sort will be allowed.
- If you require a piano accompaniment you must bring your piano music to Mr Cole or Miss Sutcliffe before **Friday 9th July** (preferably earlier if possible)
- NOTE: **except for the musical theatre class**, no backing tracks with original singing on will be allowed.
- It is very unlikely any late entries will be accepted.
- The decision of our judges will be final.
