

HECKMONDWIKE GRAMMAR SCHOOL

RGT/JDN

12 March 2021

Dear Year 11 Students & Parents,

It has been fantastic to see you all back at school this week, I hope you have settled back into those routines that we often take for granted. I am writing to you today to give you further information regarding the final assessments you will be taking starting on 26 April.

Firstly, in the attachments, you will find your assessment timetable so you know when each subject's assessment will be, and how long it will last. Remember you have only one assessment in each of your subjects. Your seat numbers will be distributed closer to the start of the assessments.

Once a subject's assessment has been completed, you will continue to attend all lessons and will be allowed to work independently in those lessons for which the assessment has already been completed.

The vast majority of assessments will be completed by 11 May. For most students this will be their leaving day. However, there are a few assessments that take place after this such as PE on Friday 14 May and Food in the w/c 17 May and these will require students to attend school only for that assessment; they can leave when it is completed.

I have also previously mentioned that we will have some kind of final farewell on 11 May and we are in the planning stages of this. Further communication will be given in due course.

Also attached to this communication is a list of revision topics that will enable you to focus your revision over the next month or so. Your teachers will share more in-depth information in lessons, but this list should be your starting point.

Yours faithfully,

Richard Tipler
Deputy Headteacher

Year 11 Assessments

Date	Start	Duration	Component Title
Mon 22 -Tue 23 Mar	15:15	02:45	Drama Practical – Individual session times will be issued
Mon 26 Apr	09:00	01:45	English Language
