Science Technician

Department Information

We are looking to appoint an enthusiastic and suitably qualified Science Technician who is eager to undertake specialist Physics training to support the work of our busy Science Department, by working as part of a team of 3 Science Technicians providing services for 16 teaching staff.

The department has well-equipped modern laboratories and dedicated prep rooms. We make good use of practical work and the school's excellent ICT resources to support imaginative and innovative teaching.

At GCSE, Science achievement is very high with a 100% pass rate and 70% of grades at 7 or above. The Sciences are extremely popular and successful at A Level, with 40% of grades at A*-B. Most of our students continue to University, many studying medicine or other Science related degrees.

The successful candidate will need to be flexible and hardworking with excellent organisational skills and the ability to meet deadlines.

Knowledge of physics and potential laboratory hazards is desirable for this post, as well as experience in the use of chemicals and the handling, storage and maintenance of laboratory apparatus.

Responsibilities:

- Clean dirty apparatus (e.g. glassware) after use in lessons
- Assist teachers in demonstrations to students and in managing complex class practical's
- Maintain records of apparatus requisitions by teaching staff
- Prepare all teaching materials (including apparatus, equipment, solutions and specimens) requested by teaching staff for practical work, lay out these materials in the laboratories in an organised and timely manner, and clear the laboratories as soon as practical after use

- Set up demonstration experiments and ensure they will work satisfactorily
- Trial new experiments and new equipment

Specific responsibilities are set out in a detailed job description.

You will need:

- to believe in our school values of Respect, Responsibility and Excellence and follow our school ethos embedded in our motto of 'Nil Sine Labore' - Nothing Without Work
- a positive, can-do attitude
- the ability to change priorities at short notice
- good communication skills, both written and spoken
- the ability to take initiative and work independently as well as part of a team
- to have good organisational skills
- suitability to work with children

Responsibilities

Specific responsibilities are set out in a detailed job description.

In return we can offer:

- interesting work as a key member of a creative and supportive team
- a learning-centred school where the best possible practice is the priority
- the opportunity to develop personally and professionally
- a vibrant, supportive community of like-minded individuals
