12 September 2022

Dear Parents/Carers

As you will now be aware, it has been confirmed the Queen's funeral will be held on Monday 19 September and it will be a state funeral, meaning that most businesses and certainly schools will be closed. Our annual entrance examination, originally scheduled for Monday, will therefore be moved to Tuesday 20 September. Parents who have a child sitting the entrance examination will be written to separately today, with specific details of the amended arrangements.

Therefore, for clarity over the next week or so:

- Friday 16 September, school closes early at 2.25pm (to enable the school to be set up for the entrance examination).
- Monday 19 September, school is closed for the state funeral of Queen Elizabeth II.
- Tuesday 20 September, school closed all day to students for the entrance examination.
- Wednesday 21 September, school open as normal.

Thank you for your support in these matters, at a difficult time for us all.

Yours faithfully,

Peter Roberts

Headteacher
