Dear Parent/Carer

RE: Parent/Carer Voice Survey – Term 1

As part of our quality assurance and school improvement processes, we would like to invite you to complete a short parent voice survey. Your views are extremely important to us; we plan to issue a survey once per term to enable you to have your say about key aspects of your child's experience at Heckmondwike Grammar School.

The survey is short and should only take a few minutes to complete; it will collect responses submitted from now until Wednesday 16 November 2022. Please note that if you have more than one child at Heckmondwike Grammar School and their experiences are broadly similar, each parent/carers only needs to complete the survey once. However, if you feel that your children's experiences of school are different we would advise completing a separate survey for each child.

Please follow the link below to access the survey:

I would like to thank you in anticipation for taking the time to complete the survey, your views are extremely important to us.

Yours faithfully,

Miss M Maguire
