Dear Parent/Carer

RE: Parent/Carer Voice Survey – Term 2

As part of our quality assurance and school improvement processes, we would like to invite you to complete a short parent voice survey. Your views are extremely important to us and enable you to have your say about key aspects of your child's experience at Heckmondwike Grammar School. Over 500 of you responded to our survey in Term 1, which goes to show the tremendous amount of support you continue to show us as a school. You can read our response to your views from Term 1 in the [letter](#) that was published at the end of that term.

The Term 2 survey will follow the same format and should only take a few minutes to complete. It will be available from now until Wednesday 1 March. Please note that if you have more than one child at Heckmondwike Grammar School, each parent/carers only needs to complete the survey once. However, if you feel that your children have differing experiences you are welcome to complete separate surveys for each of them.

Please follow the link below to access the survey:
