Once the application is completed, the finance office will organise fees to be added to ParentPay as soon as possible. The deadline for payments is **Friday 14 July 2023**.

NB – students who currently have lessons who wish to continue in September MUST complete the application form each term so ParentPay can be organised.

We offer lessons in a variety of instruments covering strings, brass, woodwind, percussion, vocal, piano, guitar and music theory. For more information for students who are interested in starting lessons for the first time please click here-
