

Business, Economics and Finance Pathway Update

Students interested in the stock market were able to try out the Trading Room at Huddersfield University on Wednesday 6th March. The screens certainly look complicated but students were quick to pick up some basic ideas and enjoyed playing around with moving averages to make buy/sell decisions. The trip gave them an insight into the future of trading and a taste of university.

We welcomed ambassadors from HMRC into school where students were keen to learn about Tax and able to ask questions of the ambassadors. They found it interesting that tax dodgers' names are published on the internet. They also learnt the importance of voting and engaging in the political system if they had strong opinions on how much of their future incomes they should have to pay in tax!!

Our young enterprise team are heading to the White Rose Centre! On Sunday 24th March they will be trying out their sales techniques on members of the public. They are very grateful for all the support and interest that they have received from parents at the parents evenings.

For what's on and to be involved in future events, students can complete the following form. Any year groups can express interest but priority will be given to sixth form. <https://forms.office.com/e/7AZ2QrEAH9>

Knowledge Applied

On Saturday 9th March, Mr Leitch and Mrs Hepworth took four teams of students to compete at the Sheffield Maths Pop Quiz at Sheffield Hallam University.

We left school on a cold morning and arrived in Sheffield full of confidence. We gathered on

the steps outside the University to find our competition waiting for us. Once inside, the students were split up to compete in separate KS3, KS4 and KS5 events. Unusually the questions were read out rather than written down and they started coming thick and fast.

Well done to our Junior Choir & Orchestra for 2 terrific performances at @musicforyouth.

The orchestra sounded amazing & the choir sang beautifully - well done to all

our musicians. So many positive comments not only from the judges but also from so many others.
