

HECKMONDWIKE
GRAMMAR SCHOOL

RFM/LMS

19 September 2023

Dear Parent/Guardian,

As part of Heckmondwike Grammar School's new Sixth Form pathways programme, we are trying to maximise opportunities to contact potential guest speakers who have relevant academic and professional experience in one or more of our pathway areas.

One of the ways we can do this is to try and collate information about the experience and expertise of you – the parents of our students – and potentially invite you in to speak to some of our students about this.

Our pathways programme is designed to aid and support students wishing to take a particular route in Higher Education and beyond. We have six pathways as part of the programme:

- STEM (Science, Mathematics, Technology, Engineering, Computer Science)
- Oxbridge (Oxford and Cambridge)
- Medical Sciences (Medicine, Dentistry, Veterinary)
- Apprenticeship/Employment
- Humanities (Law, History, Geography, English, Art, Modern Foreign Languages, Music, Performing Arts)
- Financial (Economics, Business, Accountancy, Finance).

It may be the case where more than one of these is relevant to your past experience, so please make this clear on the form. Although it isn't mandatory, we would greatly appreciate if you could take a few minutes to complete the questions electronically by following the link below.

<https://forms.office.com/e/SBygy7dGwy>

I look forward to receiving your responses.

Yours Sincerely,

Robert McLaughlan.
Teacher of English
Second in Department
Sixth Form Humanities Pathway Coordinator
