**Year 9 Information Evening: 'A Parents' Guide to the Year Ahead'**  
**Thursday 5 October 2023**

Dear Parent/Carer

I am pleased to invite the parents of all of our Year 9 students to an Information Evening on Thursday 5 October at 6.00pm in the Swann Hall.

We hope to offer an overview of the year ahead, information about key dates, guidance on how to support your son or daughter throughout GCSE study, meet your child's form tutor and provide information from departments which will outline subject content, controlled assessment (coursework) deadlines (where applicable) and examination information. In addition, we would like to make certain that parents are aware of the support, which is in place if things do get difficult.

The presentation and course booklet used on the night will be available on the school website for those unable to attend.

Please note that we will not be able to offer specific information about the progress of individual students on this evening, though we are always happy to meet parents to discuss this, if required.

Parking will be available in the staff car park by the Multi Use Games Area at the top of Church Street. Entry to the school on the evening will be via the main gate on North Street. Students are more than welcome to attend with parents.

Please confirm you attendance by using our online Parents Evening website:
