

HECKMONDWIKE GRAMMAR SCHOOL

JOA/TCC

3 October 2023

Dear Parent/Carer

GCSE Geography Human Fieldwork

GCSE Geography students are required to complete 2 compulsory fieldwork days as part of their course. This year we will be taking your child to Halifax to complete their human fieldwork.

The visit is on Monday 27 November 2023. We will travel by hired coach to Halifax, leaving school at approximately 09:00. We shall be setting off back from Halifax at approximately 14:00 and therefore expect to return to school at approximately 15:00, dependent on traffic.

Students should bring any routine medication which they usually carry, for example inhalers. There will be an opportunity during the day to purchase lunch, however students are welcome to bring their own packed lunch. All students must bring a bottle of water. If your child is eligible for Free School Meals a packed lunch can be provided please email <mailto:finance@heckgrammar.co.uk> for further details.

May I take this opportunity to remind parents that students are expected to display the very highest standards of behaviour and courtesy.

Under the School Governors' Charging and Remissions Policy, we request a contribution of £12 towards the cost of this activity. This includes the admission, travel and insurance. We must mention that without sufficient funding the trip will be unable to take place. [Charging & Remissions Policy](#)

The total cost of the trip is to be paid on ParentPay by 13 October, 2023. When you make payment via ParentPay you will be prompted to provide parental consent for your child to attend this trip and you will also be asked to input your contact /medical details directly into a confidential section of ParentPay. If you have any further questions, please contact me at school <mailto:jaudis@heckgrammar.co.uk>

Yours faithfully,

Mr J Audis - Subject Leader of Geography
