Applications for the free National NHS Virtual Work experience programme have now opened for 2023-2024!

This programme has supported over 30,000 secondary school students obtain free work experiences last year. Virtual work experiences have been accepted by the Medical Schools and Dental Schools Council as valuable alternatives to in-person shadowing, backed by the Health Education England Discovery report on the impact of virtual work placements. This programme is brought to you by Birmingham Universities Hospitals Trust in collaboration with Medic Mentor, and it is completely free. Not only is this a reliable alternative to in-person shadowing, but it also plays a significant role in preparing students for their in-person work placements with structured teaching and opportunities to speak directly with healthcare professionals. The opportunity is open to any student across the UK from 14 years old and above.

Students can apply for a placement, for free at this link: <https://medicmentor.org/university-hospitals-birmingham-trust-virtual-work-experience/>

NEW YORK TRIP!

Incredibly exciting opportunity! **21st - 25th May 2024**

I'm delighted to be able to offer the opportunity of a trip to the Big Apple! Taking in major landmarks such as The Empire State Building as well as educational activities such as a guided tour of Wall Street. Expression of Interest letters will go out to parents shortly but in the meantime, it would be helpful to get an idea of interest. If you would like to find out more, please like the post on the BEF pathway channel.

Oxford interview workshops

Mock Interview Workshop

IN COLLABORATION WITH CAM WAMS

Includes:

1. Realistic Oxbridge Medicine interviews with current students
2. Feedback on interview performance
3. Interview Advice
4. Admissions Tutor Talk

ONLINE OXFORD INTERVIEW WORKSHOP

The [South West Consortium of Colleges](#) is hosting an online Oxford interview workshop for applicants on **Thursday 30th November at 17:00.**

Hear from Outreach and Admissions staff, as well as Oxford tutors and current students, on how to prepare for an Oxford interview. We'll also cover the logistics of the online format, and what tutors are actually looking for in the interview.

You can sign up using this link: <https://forms.office.com/e/XAByRUyzJQ>.

Students are welcome to join the online event from school or at home.

This event is not restricted to Year 13 applicants – prospective students are also welcome to join.

Private Study

It is a **COMPULSORY** hour of independent study and must not be missed or **sanctions will be set**.

You must sign in promptly with Hez upstairs in the quiet room within the JCC.

If you study EPQ or study 4 A level subjects you do NOT have private studies.

It will show on your timetable as PSP with Mrs Bev Sheard, Hez is currently covering Private studies until she returns.

Any blanks on your timetable are non-contact periods for you to work independently, anywhere in the JCC or library. You do not need to sign in anywhere for non-contacts.

If you have a cancelled lesson at any time, you must come and register with Donna in the JCC.

Year 13 NRP alumni student

“ —
Do it! You never know who you could meet or what you might learn, what you may discover about yourself or the world. Life is full of opportunities if you are open to them, and this is an opportunity like no other. — ”

Year 13 NRP alumni student

If you have any questions, please email Paula Symonds, NRP Regional Co-ordinator for Yorkshire and Humber at Nuffield@debp.org.

<https://www.nuffieldresearchplacements.org/>

The NRP programme provides engaging, hands-on research projects, where Year 12 students have the opportunity to make a meaningful contribution towards the work of a host organisation through a well-supervised but independent research collaboration relating to an area of science, quantitative social science, computing, technology, engineering or maths (or a combination!).

Oxford university residential opportunity

SOMERSET, DEVON, AND CORNWALL RESIDENTIAL 2024

We have expanded our Year 12 SDC Residential into a sustained programme that will run from February to June 2024, including 3 online workshops that will support application to university, and a 4-day stay at [Exeter College, University of Oxford](#) at the end of June.

Students can apply directly, using this sign-up link: <https://forms.office.com/e/mz7TMR0yMe>.

Applications close **Monday 20th November, 17:00.**

Corpus Christi Pelican Programme

The Pelican Programme is Corpus' flagship access scheme in the Arts & Humanities and is designed to not only introduce students to new and exciting super-curricular resources and themes, but also to stretch, challenge, and sharpen their oracy skills. This sustained and intensive programme runs for six-months, with students meeting online in small groups every fortnight to analyse and critique set pre-reading under the supervision and guidance of a subject expert. In addition to these subject experts, every student also has more admissions-focused sessions with members of the Corpus Admissions Team and, if they successfully complete the programme, will be in a very strong position to make a competitive application to any selective university

Email Mrs Jervis if you are interested – first come first served basis

Robinson College Access Programme

The Robinson Access Programme (RAP) is an online scheme for Year 12 students, designed to help students think about university as an option for the future. The programme will consist of online sessions held most weeks after school from January to March 2024. These include sessions on Cambridge life and studies. There will also be sessions aimed at Year 12, on choosing A Levels or thinking about the university application process. We hope to have a programme of taster lectures, student life Q&As, and sessions designed to get students thinking critically.

Exploring Law Conference 25-28 March 2024

The Exploring Law Conference was founded forty-nine years ago to give Year 12 students who may be interested in studying Law at degree level a balanced view of the Law, both as an academic subject and as a profession, and also to offer an insight into life as a Cambridge undergraduate.

The Conference is run by a voluntary [committee](#) of seven current law undergraduates and relies on the invaluable support of the Law Faculty.

The 2024 Conference will be a four day in-person Conference. The committee are working hard to bring as many students as possible into Cambridge for a residential experience which will aim to offer students a taste of the study of Law. The conference will run between Monday 25 March and Thursday 28 March.

This year the conference will **cost £155**. There are additionally 150 **fully funded** places for qualifying students. Information about this can be found on the [applying page](#).

Applications for the 2024 Exploring Law Conference are now open!

Fully funded places

Applications are encouraged from all backgrounds and all schools and we are keen that all year 12 students who wish to attend the Conference are able to do so. Although we are proud to offer all of our Conference places at a heavily subsidised rate, we also work closely with the Cambridge University Admissions Office and Widening Participation Partner Law Firms to offer further fully-funded places.

This year, 150 **fully-funded** places will be available to UK students from a state school background. Working with the Cambridge Admissions Office, we will assess all qualifying students on the basis of their need, prioritising students who:

- Are currently or have ever been in local authority care
- Are or have recently been eligible for Free School Meals
- Come from underrepresented backgrounds in higher education
- Would be the first in their generation to attend higher education
- Have experienced educational disruption

The application will request the contact details of a person who can verify the above information. This is typically a parent, guardian or teacher.

Please note that, if you apply for a fully funded place, you will not be considered for a self-funded place.

From Accounting to Zoology - and 100's of subjects in between.

Next Step York

Next Step York is a personalised two year programme for Year 12 students in England.

- Explore university options
- Receive specialist support with your current studies
- Experience what life is like at York

Next Step York is aimed at pupils who have the potential to progress to university but have experienced barriers that may prevent them from accessing higher education.

We welcome applications from students living in the region who meet the [programme criteria](#) and believe they will benefit from our support.

About the programme

You'll design your own Next Step York programme, choosing activities from three modules in your 1st year. You'll also work with a Student Supporter, a current University of York student, who will offer guidance and insight throughout the programme.

Applications open on 11 September and close on 27 November.

The programme kicks off in December with a virtual induction. You'll then attend a range of virtual and in-person events between January and July.

During these events, you'll meet other students on the programme, as well as current students at the University of York!

Participants who successfully complete the Next Step York programme could be considered for a guaranteed interview or offer to study at York.

Preparing for interviews

Questions you might be asked in a university interview

These are hard to predict, so here are some pointers on what questions you may face in a uni interview:

- Revisit the university prospectus and course details, thinking about how you'd answer questions such as 'why this course?' and 'why this university?'.
■ Re-familiarise yourself with your personal statement and be prepared to elaborate on anything you've said.
■ Get someone (who hopefully knows a bit about your subject) to give you a mock interview. Having some interview practice beforehand will help to boost your confidence and expose areas you need to work on.
■ Make sure you're aware of the latest issues in current affairs relevant to your subject – tutors may bring these into the discussion.
■ Prepare some questions to ask tutors – just make sure that they haven't already been answered in information you've been sent by the university.

Do you live in Mirfield and applying to university?

About the charity

The Mirfield Educational Charity makes grants for educational purposes to students under the age of 25 who are resident or whose parents are resident in Mirfield.

Dr Grason and the scholarship

Dr Grason retired from the charity in October 2016. He had been a trustee from the charity's inception in 1977 and for over twenty years served as chairman. The scholarship in his name is a new initiative intended to provide significant financial assistance to a hardworking and diligent student from a family of modest financial means who might otherwise not go on to higher education.

The successful applicant would receive £4,000 for the academic year beginning in September/October 2024 and thereafter £4,000 for second and third academic years subject to evidence of satisfactory progress.

Who can apply?

There are four criteria.

1. Residence. The applicant or the applicant's parents must reside in Mirfield.
2. Age. The applicant must be under the age of 25 not only at the time of application but also at the end of the course.
3. Finance. The applicant must qualify for the 16-19 bursary.
4. Academically. The trustees are looking for a candidate who scores highly on the L3VA (Level 3 Value Added) analysis.

There is no set application form. However, the trustees will require the school or college to certify that criteria 1 to 3 have been met. As to criteria 4, the trustees will expect to receive as a minimum a copy of the candidate's UCAS application form, a personal statement and an academic reference. **Deadline for applications 31st January 2024.**

If you are interested in applying, see Mrs Jervis

Year 13 University access schemes

Context

- Many universities run **access schemes**, where students from backgrounds which make them statistically less likely to attend university are given support, which can include **reduced offers**.
- The main schemes used by HGS students are **Access to Leeds, York Access** and **Newcastle PARTNERS**, though other universities also have them.

Am I eligible?

- The short answer is, **'it depends'**; conditions do vary. Generally, you need to meet 1-2 or more of the following criteria:
 - Neither of your parents went to university;
 - You are from a low income household;
 - You live in a post code area with low rates of progression to university;
 - You attended an 11-16 school with below average GCSE results;
 - There are circumstances in your home or personal life that have disrupted your studies.

Check the terms for each scheme **carefully**. They do differ.

Access to Leeds

- To be eligible for [Access to Leeds](#), you need to meet two criteria.
- **Many** of you will be eligible.
- The reduced Access offer is two grades below the standard offer.

Newcastle PARTNERS

- Newcastle PARTNERS has changed considerably.
- You need to meet one eligibility criterion.
- **Most** (though not all) of you will be eligible.

Applicants to Medicine & Surgery (A100) and Dentistry (A206)

Applications to PARTNERS from Medicine or Dentistry applicants have a deadline of **16 October 2023**.

Applicants to all other UG courses

The UCAS and PARTNERS deadline for all other courses during the 2023/24 admissions cycle is **31 January 2024**.

York Access

- To be eligible for [York Access scheme](#), you need to meet one of a small number of criteria.
- **Many** of you will be eligible.
- You may receive a reduced offer.
- **OPENS 2nd October**

University widening participation schemes (Y13)

Newcastle PARTNERS

- Add a 'P' in the further details section on Ucas.
- Apply online after your Ucas form has been sent. Select Mrs Jervis from the drop-down menu.
- **School Deadlines:** Friday 7 October (Medicine and dentistry); Friday 13 January (other courses)

Access to Leeds

- Complete your section of the [application form](#) and e-mail to Mrs Jervis
- Once it has been returned, upload onto Leeds' web portal.
- **School deadlines:** Friday 7 October (medics and dentists), Friday 13 January (other courses)

York Access

- Download and complete the [application form](#).
- Ask Mrs Jervis to write a supporting reference.
- Return to York before or at the same time as your application is sent off. access-scheme@york.ac.uk
- **School deadlines:** Friday 7 October (medics and dentists), Friday 13 January (other courses)

UCAS

All other programmes: All students need to let Mrs Jervis know of any requirements from the school and allow at least one full school week to turn around a reference/online verification.

Future Programmes

Future Programmes is a series of webinar streams, each focusing on a specific subject area. There are four streams, with four webinars in each stream. Each webinar will be delivered by leading academics and subject matter experts with the aim of inspiring, engaging and informing students (Year 12/13/Access to HE) who are considering University/Higher Education (HE) as a possible pathway on completion of their Level 3 studies.

By completing one of the Future Programme Schemes, **you can receive 8 UCAS points towards a qualifying course within that stream**. Please note that these UCAS points **cannot** be used towards BSc Clinical Sciences, Optometry or any Foundation Year or Integrated Foundation course, including Foundation in Clinical Sciences and Medicine.

The Future Programmes offered in Autumn 2023 are:

- Future Engineers
- Future Lawyers
- Future Life Scientists
- Future Psychologists

TLT is a place where ambition and drive really matter. We want lawyers that push boundaries, ask questions and can solve complex problems.

Our training programme puts you at the heart of the action, you'll work on live projects and forge a career that rewards you. This is your opportunity to push boundaries, question convention, and solve complex problems. And as you build your skills, you can decide where your career takes you. You'll be part of an open and collaborative team where you can approach anyone for a conversation and get involved in causes that you care about.

Our 6 year Legal Solicitor Apprenticeship gives you the opportunity to grow your legal knowledge and business development experience whilst studying for your law degree. It puts you right at the heart of the action and is all about giving you real work, creating real results and getting recognition for your achievements.

We work with clients from the Future Energy, Digital, Financial Services, Leisure, Food Drink, Public Sector, Real Estate and Retail & Consumer Goods sectors.

Your supervisor will work with you to boost your technical legal knowledge and sharpen your commercial instincts. Alongside your university studies, you will have the opportunity to attend development workshops which will help you develop the right mindset for success as well as the focus and resilience you need for a career in law.

We're successful because we challenge convention and don't let tradition stand in our way. We're proud to do things differently. Individual thinking matters to us. We trust you to deliver great work for great clients, whatever your role. We look for candidates that have a commercially-agile mindset and are academically bright.
