GRAMMAR SCHOOL

GDC/TCC

27 November 2023

Dear Parent/Carer,

Applications for instrumental/vocal music lessons for the spring term are now open. If you wish your child to continue or start music tuition in January, please complete the form below:

<https://forms.office.com/e/dncqkySDyZ>

Once the application is completed, the finance office will organise fees to be added to ParentPay within 48 hours. The deadline for payments is **Tuesday 12 December 2023**. After this your child will not be added to the timetable for term 2.

**NB – students who currently have lessons who wish to continue into term 2 MUST complete the application form each term so ParentPay can be organised accordingly.**

We offer lessons in a variety of instruments covering strings, brass, woodwind, percussion, vocal, piano, guitar and music theory. For more information for students who are interested in starting lessons for the first time please click here-
