10 January 2024

Dear Parent/Carer

We are excited to say that GCSE science live is coming up on Monday 29 January, please find some important information regarding the day below.

The coach will leave school at 9:30 and return at about 16:00 traffic permitting. Students should therefore arrive at school wearing school uniform and attend morning registration, they should go straight to the dining room for a briefing. Students will need to bring a packed lunch and a drink with them for the day, there are no facilities to buy food at the venue.

There are opportunities for students to ask questions from the scientists throughout the day. We hope the students have an enjoyable and informative day at GCSE science live.

Kind Regards

Mrs Noble

Teacher of Chemistry
