

- 33 Undergraduate Colleges

- 29 Undergraduate Colleges

- Each University is made up of colleges
- To study at the University you apply to a college, not the University
- You cannot apply to both Oxford and Cambridge
- You cannot apply to more than one college
- If you apply to Oxford and Cambridge, the deadline is mid October of Year 13(same as applications for Medicine, Veterinary Studies and Dentistry)

What is different about Oxford and Cambridge?

lecture

seminar

"tutorial"

"supervisions"

What is a college? What happens there?

What is in a college?

- Your room
- Porter's Lodge
- Dining Hall
- Bar/Common Room
- Teaching Rooms for small groups
- Music Rooms
- Library
- Laundry
- Sports facilities
- Green Spaces
- Welfare/Finance/Health

What you can do now – all competitive courses

- Look at the university websites - search for courses/colleges
- Do check entry requirements - it might help you with your A-Level choices
- **Don't** think that more A-levels = a better chance of getting a place
- Do talk to your teachers and the Careers Office
- Do find supercurricular activities that go deeper into the subjects you're interested in
- Drop-in session Thursday lunchtimes in M002

Super-curricular: All Competitive Applications
