Dear Parent/Carer

End-of-Year Parent View

It's that time of year again when we seek your feedback on our school's performance. Thank you to everyone who completed the parent/carers survey earlier this year. However, we received fewer responses than usual, with just over 200. Please take a few moments to complete our [end-of-year parent/carers survey](#), by Wednesday 10 July.

Following the previous survey, we analysed your feedback and compared it to national data. We're pleased that most of you agree we keep your children safe, happy, and supported. The results were overwhelmingly positive and above national averages.

Statement	HGS % Agree (2022-23)	HGS % Agree Survey 1 (2023-24)	National Secondary % Agree
My child is happy at HGS	96	96	83
My child feels safe at HGS	98	99	86
HGS makes sure that students are well behaved	93	97	77
HGS has high expectations for my child	95	97	81
My child does well at HGS	98	94	83
There is a range of subjects available to my child at HGS	98	96	89
My child can take part in clubs and activities at HGS	96	98	89
I would recommend HGS to another parent/carers	95	96	79

Your Child's Learning - 79% of you agreed that "HGS keeps me informed about what my child will be learning throughout the year," which matches the national average. We've improved this through our [curriculum and revision overviews](#), created by our specialist staff. We encourage you to engage with these resources to stay informed about your child's learning.

Wider Development - Some parents/carers were unclear about the statement "HGS supports my child's wider development." This refers to experiences beyond the National Curriculum, including developing skills like resilience and independence, participating in extracurricular activities, learning to be respectful and responsible citizens, and understanding how to stay healthy and safe.

Communication - A few comments mentioned not receiving replies to emails sent to teachers. We value effective communication and aim to respond promptly. If you don't receive a reply within 72 hours, please email adminoffice@heckgrammar.co.uk so we can follow this up.

Thank you for taking the time to complete our [end-of-year parent/carer survey](#), your views are extremely important to us. Wishing you and your family a wonderful summer.

Yours faithfully

Miss M Maguire
