JOA/TCC

30 April 2025

Dear Parent/Carer,

### **Bikeability Letter Level 3 Training Scheme**

We are pleased to offer your student(s) the opportunity to take part in the Bikeability Level 3 training scheme at Heckmondwike Grammar School.

Bikeability Level 3 is designed for cyclists who are ready to learn how to ride safely in more challenging traffic situations. This advanced training helps students develop the skills and confidence needed for cycling on busier roads, navigating junctions, and making independent journeys. It builds on the skills that students might have been taught in Levels 1 and 2 if they did this at primary school. The hope is this scheme might encourage students to cycle to school and reduce their carbon footprint compared to using public or private transport.

To learn more about what Level 3 involves, you can visit the official Bikeability website: <https://www.bikeability.org.uk/what/level-3/>

If your child is interested in taking part, please complete the forms quiz below by Tuesday 6th May. Forms quiz: <https://forms.office.com/e/3EckAEGxpL>

Kind Regards,
