Net zero means achieving a balance between the carbon emitted into the atmosphere and the carbon removed from it.

STOP FOOD WASTE

One third of all food produced globally is lost or wasted. We aim to cut food waste wherever we can – and have committed to a 50% reduction by 2030.

WASTE NOT WANT NOT

Up to 10% of greenhouse gas emissions worldwide come from food waste. We aim to minimise food waste wherever possible – and are committed to a 50% reduction by 2030.
