26 January 2026

Dear Parent/Carer,

Medical Mavericks Mini-medics workshop on Wednesday 15 April 2026

Your child has expressed an interest in taking part in the Medical Mavericks Mini-medics workshop on Wednesday 15 April 2026.

The event will take place **in school** over a 2-hour period, the session is designed to give students an insight into medical careers as well as medicine. Activities include measuring blood vessel diameter and circumferences with an ultrasound, lung volumes, respiration rates, iPhone retina scan, try keyhole surgery, taking fake blood and recording an ECG.

The aim of the workshop is to explore a range of medical careers but also allow students to gain some hands-on experience. The company have appeared on shows such as the one show and the big bang fair and they are renowned for being inspiring in their delivery of events.

Under the School Governors' [Charging and Remissions Policy](#), we request a contribution of £14.50 towards the cost of this activity. This includes the admission, and insurance. We must mention that without sufficient funding the event will be unable to take place.

The total cost of the event is to be paid on ParentPay by Tuesday 10 February. When you make payment via ParentPay you will be prompted to provide parental consent for your child to attend this event and you will also be asked to input your contact /medical details directly into a confidential section of ParentPay.

Unfortunately, our Risk Protection Assurance policy will not offer cover if a student is unable to attend due to having a positive Covid test, hence in such circumstances no refunds would be available. If you have any further questions, please contact me at schoolrnoble@heckgrammar.co.uk

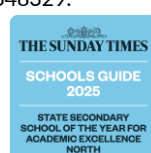

If there is anything you would like to discuss, please do not hesitate to contact me.
