

HECKMONDWIKE GRAMMAR SCHOOL

RGT/JDN

24 April 2026

Dear Students, Parents and Carers

As you may be aware, our Year 9 students will soon be sitting their **end-of-year internal examinations**, known at HGS as the "**Finals**." These exams provide an important update for students and parents on **progress during their first year of GCSE study**. The results will be shared as part of the **end-of-year report** and will be presented using the **GCSE grading system (9-1)**.

While the grades are important, we encourage students to see these exams as a **learning opportunity**. Every assessment throughout the year helps them identify what they understand well and where there are gaps in their knowledge. This process allows them to reflect, seek guidance, and continue improving as they move forward in their studies.

The Year 9 Finals will begin on **Monday 1 June** and will take place over the course of that week. It will be a **busy and focused period** for students, as all exams are scheduled within that timeframe. The exams will be held in **regular classrooms**, and students will continue to follow their normal timetable. For example:

- On **Monday Period 1**, all Year 9 students will take their **Chemistry exam (as denoted in bold at the top of the column)** regardless of their usual lesson at that time. So, students usually have their 9c option lessons at this time, but they will sit their Chemistry exam in those lessons instead.
- Students will still go to games lessons as denoted by the red columns.
- Students will do their option examinations as follows:
 - TuesP2: Option D
 - WedP2: Option A
 - Weds P3: Option C
 - Weds P5: Option B

Finally, I would like to take this opportunity to wish all our Year 9 students the very best of luck in their Finals. They have shown great commitment throughout the year and continue to be a real credit to the school and its proud 128-year history.

Yours faithfully,

Mr Richard Tipler

Deputy Headteacher
