GCSE Options Subject Change Request Form

July 2026

The timetable for next academic year is now nearing completion and the GCSE option blocks are set based on the four choices year 8s made in February.

If your child has changed their mind about their choice of options for year 9, you can request to change using this form. Please note that whilst it was a free choice initially, the option blocks are now set. This means certain combinations will no longer be available and groups may be full. Unlike the initial option choices, option change requests are on a first come first served basis.

Please refer to the option blocks on page 2 of this form. Your child must only choose ONE from each block. Please confirm this in the box below.

Note: Only one DT subject can be chosen (Resistant Materials, Graphics or Food & Nutrition). Students wishing to choose a Modern Foreign Language must have studied it in Year 8.

Please print and return this form to the Head of Year office (electronic copies are not accepted).
