RE: Amalfi Coast 2027

Dear Parent/Carer,

I am starting to organise the A-Level Geography and History trip to the Amalfi Coast and Naples on Thursday 8th – Monday 12th April 2027. The trip includes exploring the historic volcanicity of Italy, climbing Vesuvius and exploring Pompei and Herculaneum. We visit Naples and complete an underground tour of ancient tunnels, take a boat trip along the Amalfi Coast, spend the day at Capri, amongst other exciting adventures. A highlights video of our previous visit is on our Facebook page for your perusal. It is a truly breath-taking adventure that I would love your child to be able to experience.

To secure interest in attending this visit, and make commitment to pay all future instalments, we require a £250 deposit payable through parent pay by Monday 2nd November 2026.

Before making this payment, please check that your child will be able to attend this trip with their current passport and visa status. School will not be responsible for any costs incurred due to cancellation caused by a student being unable to travel due to passport/visa restrictions. It is therefore vital that you check this as any payments made will not be refundable in such circumstances, and indeed further payments to the full total may still be due. Many airline policies specify that passports should have an additional six months on the expiry date – after the dates of the trip.

Furthermore, please note this deposit is non-refundable once paid, unless a replacement student can be found to take their place. That said, If the trip is oversubscribed, the over subscription policy will be applied and all students who are not chosen will receive a refund. Furthermore, should there be limited uptake and too few students to make the visit financially viable, all students will receive a refund of their deposit.

Due to the infancy of planning, there is no confirmed price yet, but we are relatively confident it will be no more than £1300, inclusive of all accommodation, transport, half board, tourist tax and ticketed activities. 2 future payments will be requested to cover the remaining balance – details of this will be communicated in due course, with likely due dates of early January and late February.
