Dear Parent/Carer,

Year 7 Children in Need Disco

We are delighted to announce a brand-new event as part of our fundraising activities for BBC Children in Need this year. Following feedback from both students and parents/carers, we are excited to be introducing a Year 7 Disco exclusively for our newest students.

The disco will take place on Friday 13 November 2026, from 6.00pm until 7.30pm, and promises to be an evening full of fun, music and friendship.

As our Year 7 students continue their transition into secondary school, this event provides another wonderful opportunity for them to socialise, build new friendships and strengthen their sense of belonging within the school community.

Students can look forward to:

- A disco with music and dancing
- Traditional disco games and activities
- A fun and welcoming atmosphere with friends
- The cost of the event is £5 per student, which includes:
- Admission to the disco
- Entertainment throughout the evening
- One drink (water will be freely available)
- Two slices of pizza

There will also be additional snacks and face painting available for students to purchase on the night should they wish to do so. Students should bring no more than £5 for these additional purchases, and any money they do bring is their responsibility to keep safe.

Most importantly, all proceeds from the event will be donated to Children in Need, helping to support young people and communities across the UK.

To allow us to plan effectively and order the appropriate food and refreshments, payment must be made via ParentPay by 12.00pm on Friday 6 November 2026. Unfortunately, we will be unable to accept bookings after this deadline.

Heckmondwike Grammar School Academy Trust is a charitable company limited by guarantee, registered in England and Wales with company number 7348329.

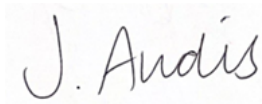

When making payment through ParentPay, parents/carers will be asked to provide consent for their child to attend, inform us of any food allergies or dietary requirements, and add the emergency contact information. Students who require medication, such as inhalers or EpiPens, must ensure that they have this with them throughout the evening.

As with all school events, we expect students to demonstrate the high standards of behaviour associated with Heckmondwike Grammar School. The disco is intended to be an enjoyable and inclusive event for everyone attending. Any student whose behaviour falls below our expectations may be asked to leave the event, and parents/carers will be contacted and required to collect their child.

We hope that as many Year 7 students as possible will join us for what promises to be a fantastic evening of fun while supporting a very worthwhile cause.

Thank you for your continued support of our Children in Need fundraising efforts.

Yours faithfully,
